## **Greetings from the East**

Greetings Brethren,

As always, I hope that all of you are well. As a reminder, masks must always be worn in the Lodge unless you are 6 feet or more from anyone.

I want to welcome 2 new Brothers who were initiated and congratulate them on the first step in a wonderful journey. Once again, our wives provided a delightful dinner and seem intent on adding a few extra pounds to all of us. They have our deepest thanks for their involvement.

We are now gearing up for another EA degree as well as the FC degree. I would love to see all of you come out to support the new Brothers as well as the Officers.

Fraternally,

Steven Reed, WM

## **Greetings from the West**

Greetings Brethren,

Where are you? We Miss You! We need you! We have a good group of new Brothers who need to meet and get to know you. They are hungry for your input. We only have 7 officers plus a small handful of us to try to mentor 7 to 10 of them (after the 2 new initiates on March 18th).

These new Brothers need direction and guidance. They need to see that you guys still love the Craft. We are on a roll right now, but they need to see the zeal you all once had for the Brotherhood!

Maybe you need to remember how much it once meant to you as well.

We eat on 4th Thursday at 6:30 and on Degree nights. Our wives need to know you are on their side or they are going to kill us! We are all working hard to keep our Fraternity alive. Come join us, Please!

Much Love,

Barry Peebles, SW

## **Greetings from the South**

Brethren,

We have had a very active few months so far. We plan to initiate new brothers this March and in the next few months. I would like to congratulate all the officers who have been working so hard to make our degrees as special and significant as they can be. We have always strived to put on the best degrees possible and will continue to do so. It was good to see W. Mark LeMacher back and playing the organ. We really missed him during his illness and we're glad to see him back and well.

Wayne Forman, JW
