

WHO WE ARE

A Local Legacy of Craftsmanship

What started in a small garage over 30 years ago has blossomed into Cape Cod's premier destination for custom countertops and cabinetry. SDC Kitchen & Bath is a true local success story, built on a foundation of quality craftsmanship, attention to detail, and a deep understanding of the unique needs of Cape Cod homeowners and businesses.

From Concept to Flawless Installation

Our end-to-end process begins with an on-site consultation, where our team carefully measures your space and identifies any potential obstacles. We then leverage our design expertise to present you with multiple personalized options that suit your aesthetic taste and budget. With your dream vision as our guide, our local artisans meticulously manufacture your custom pieces in our very own facility.

CAPE COD'S PREMIER KITCHEN & BATH DESIGN CENTER

SDC Kitchen & Bath crafts stunning custom countertops and cabinetry for residential and commercial spaces across Cape Cod, blending exceptional quality with personalized design. Our skilled artisans work closely with clients to create functional and stylish solutions that elevate the look and value of their homes or businesses.

Gail Cocio ★★★★★

"This is one of the best companies I have ever dealt with. It was a very complicated and at times risky but they handled it all. We are very grateful."

Ed & Joanne Fitzpatrick ★★★★★

"We had an excellent experience with the SDC team for our recently completed primary bathroom renovation project. Their pricing was competitive and there were no surprises between the estimated and actual costs. The project proceeded and completed in accordance with the estimated schedule."

George Armstrong ★★★★★

"From the time of design to the completion of our kitchen remodel, we were very impressed and pleased with the end result. We were referred by friends who had a remodel done by Sand Dollar Customs a few years ago. The two owners, Rob and Steve, were fabulous on follow-up. Their team who came to our home were awesome. We would not hesitate to recommend Sand Dollar Customs to others!"
