# ALL ABOUT US

## WHO WE ARE

AssignmentsToGo is an online education community created by The Alpha Kani Project to promote academic, personal, and community development and success. Our platform not only provides a space for teaching and learning, but also for partnering with other educators, parent groups, academic institutions, corporations, municipal agencies, and civic organizations.

## HOW WE WORK

Sign up for FREE and start building your own online learning community.

# OUR VISION

**"AN INVESTMENT IN  
KNOWLEDGE PAYS THE  
BEST INTEREST."**

## VISION DESCRIPTION

AssignmentsToGo approaches users holistically, positively, and effectively in order to provide the best online education community for high school students and their teachers.

# OUR MISSION

"EDUCATION IS ONE THING  
NO ONE CAN TAKE AWAY  
FROM YOU."

## MISSION DESCRIPTION

Our mission is to build the best online education community for high school students and teachers by providing an environment that facilitates a positive focus on education and personal improvement.

# BUSINESS PREVIEW

## BUSINESS GOAL

We aim to provide a multi-faceted platform that allows teachers and students to collaborate, and to centralize and utilize resources to advance their career path.

## TARGET MARKET

High school teachers, students and extracurricular programs that support these students.

## BUILDING OUR COMMUNITIES

We are open to partner with organizations or businesses that provide a product or service to learners or instructors.

# WHAT MAKES US DIFFERENT?

## PROBLEM DESCRIPTION

Most educational platforms only see the teacher and student from an in-class perspective. Our platform also encourages a focus on the whole person academically and non-academically.

We offer a customizable platform and community that is easy to navigate & offers a multitude of features for teachers and students at a reasonable cost.

# WE LISTEN TO WHAT USERS HAVE TO SAY

Most users of educational platforms have similar complaints about certain features. We've taken note of these!

## FEATURES WE AIM TO CORRECT

- **UI/USER-FRIENDLINESS**
- **SOFTWARE INTEGRATION**
- **COSTLY**
- **DOCUMENT SHARING & UPLOADING**
- **LAYOUT & DESIGN**
- **INACTIVE/BROKEN FEATURES**

# WE ENCOURAGE SOCIAL GROUPS

Create your own positive social communities that encourage, support and uplift.

- JROTC
- National Honor Society
- Community support groups
- Mentoring groups
- Youth groups
- Book clubs
- Clubs for different subjects: history, math, science, etc..
- & Many More!

**Bring your school clubs and groups  
to our online community!**

# WHAT DO WE PROVIDE?

## ENGAGEMENT

Our platform is engaging, user friendly, customizable and equipped with tutorials to manage usage.

## PRODUCTIVITY

We welcome and encourage positive and productive non-academic social groups to enrich the greater community.

# WHAT DO WE PROVIDE?

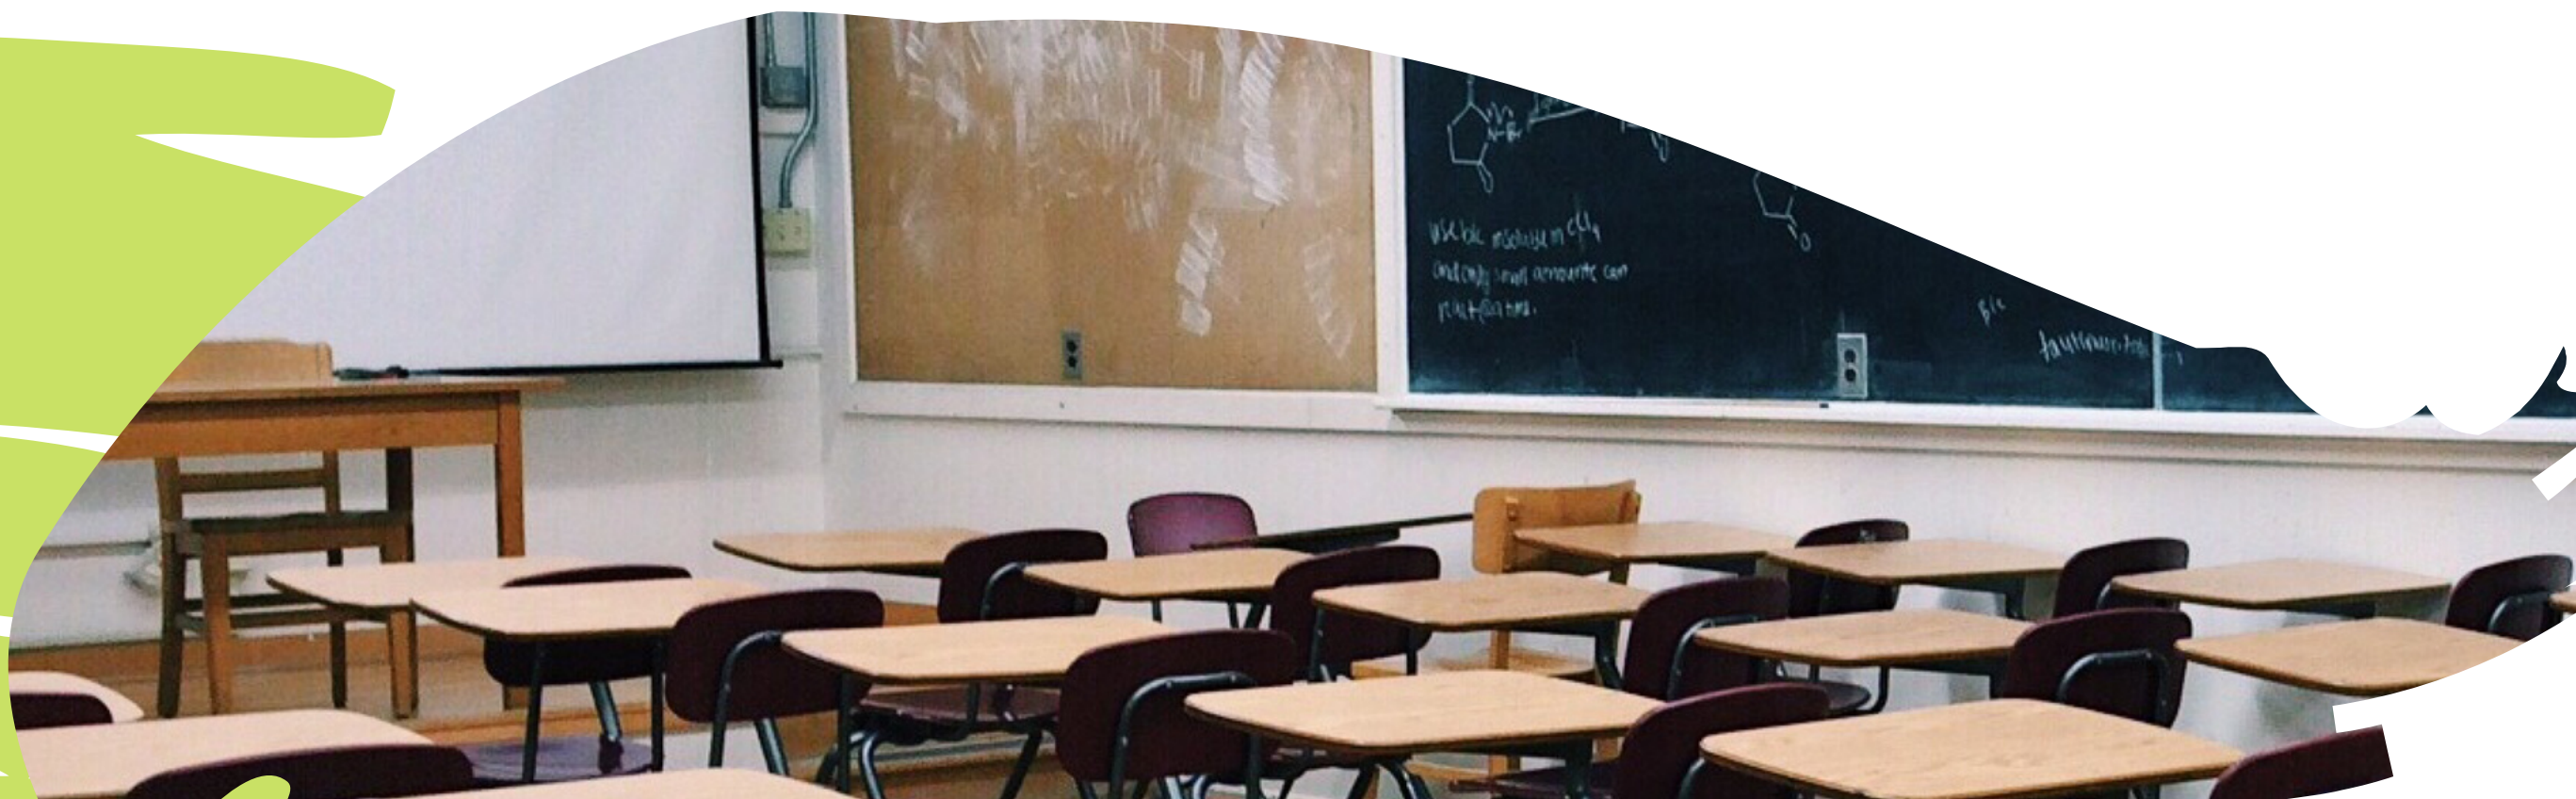

## FEATURES

Many of our features are offered at no cost to the instructor and are always free for students.

## TUTORIAL SUPPORT

Our platform is equipped with mentoring, tutoring and career resources.
