## APPLICATION FOR ADMISSION

---

First, let me say welcome to Lighthouse College! We are excited about what the Lord is miraculously doing in this place, and we are equally thrilled that you are considering becoming a part of this unique institution. It is all too common that conservative Christians have had to make the choice between a Bible College that is supportive of their faith, but has no, or limited, or some type of Christian accreditation... or, a college that has the needed, normal accreditation, but that is unsupportive and, in many cases, even hostile to their faith... well no more!

Lighthouse College is a conservative Christian and Baptist institution that makes no apology for our conservative positions, our overtly Christian campus and student requirements, our close relationship with Lighthouse Baptist Church in Ashtabula, Ohio, or our “Bible College atmosphere.” At the same time, we have worked closely with the Ohio Department of Higher Education and the Higher Learning Commission to meet all of their requirements to also be a fully accredited college. I must openly declare that both of these organizations have been very helpful to us throughout the process, and we are appreciative and thankful for their guidance.

The result is that we can honestly say our young people do not have to make the often agonizing choice of one direction over the other anymore, but now have the option to go to a college that is supportive of their conservative Christian faith, that is local church oriented, and that also has normal accreditation. It is truly amazing, and a blessing from God.

Please understand that our first year of classes (the fall of 2026), we are offering undergraduate programs in the following disciplines:

- Medical Assisting
- Humanities (General Studies)

and we are only taking freshman students. We have an actual maximum limit of @ 96 that we can enroll, so if you are genuinely interested, do not wait too long to apply. The following pages should have everything that you need to navigate the process, but if you have any questions please feel free to email, or call us at (440) 964-0222. We would love to help you through the process if we can.

Sincerely,

John Jones – Chancellor of Lighthouse College

### **Preliminary Requirements**

Before an application for admission to Lighthouse College can be processed, there are certain requirements that prospective students must take into consideration. We encourage all high school seniors to start early, to gather this information. The essential requirements are listed below:

1. All prospective students must have a High School Diploma from a recognized school. Whether the student went to a public, private, or charter school, a diploma is essential to the process. Even home-educated students can usually receive a recognized diploma. If for some reason it is not possible, an alternative GED credential is acceptable.
2. A copy of official High School transcripts will be required at the time of application also. If these are unavailable, a copy of all high school courses and corresponding grades received in these courses, will be acceptable if they come from an educational authority.
3. A sufficient score on a standardized aptitude test such as the SAT or the ACT will also be required before an application can be considered. Most graduating high school seniors have multiple options for taking one of these exams, and most communities offer this test to the general public at various times and places.

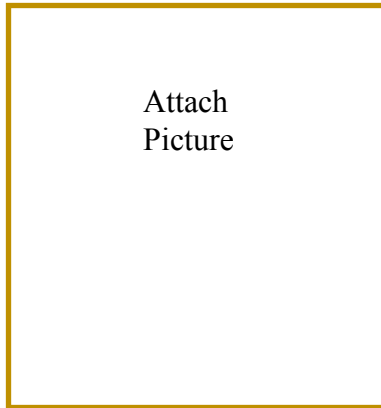

While the above three items are the important and needed prerequisites, the following items do carry some weight in the education process, and a prospective student may wish to consider adding these items to their profile as well. They would include:

- Substantive High School Research – If a high school student has given significant time and energy to produce a special and substantive work that reflects well upon that persons educational capacity, it may be worth including.
- Vocational or Technical Training – Many high school students have the opportunity to engage in specialized technical or trade school programs that may reflect well on a candidates' application.
- Varsity Letters or Academic Honors – While not required, often this extra work at the high school level can enhance an application for admission.
- Documented Community Service – Those students who give of themselves to help their community and who can document those efforts properly, can include that work in their submission for consideration
- Christian Service – Those high school students who give consistent time for ministry in their church, on mission trips, in various other ministry opportunities, can certainly add that to their application for admission, if it would give a better understanding of the heart of that person.

While there may be more items that could be considered here, these should be sufficient to give an understanding of what may be helpful. Remember, the first three items at the top of the page are mandatory, while the others are only suggestions.

## Specific Program Request

Lighthouse College is offering two different programs of study for the 2026-2027 school year. Each program has specific capacity enrollments for their program (thirty-six [36] students in Medical Assisting and sixty [60] in General Studies), before it is deemed “closed” or “full.” When this occurs, a potential student can switch to a secondary discipline that still has room available, or they can be put on a wait list for their original program. If the student switches, and then afterwards find that room has become available in the original program, that student will get priority for the open space.

Below is a listing of our programs for you to consider. At the bottom of the page you can put your first and second choices (or just one choice if you prefer). With your signature and your parent /guardians signature, those choices become part of your official application for admission.

Our programs include specific degrees in:

- Medical Assisting
- Humanities (General Studies)

	Certificate	Associates	Bachelors
Health Professions– Medical Assistant .....		✓	
Humanities (General Studies).....		✓

## **Financial Information**

The following financial information is included in the application packet, so that there can be no misunderstanding in regard to student financial costs. Unless this page is signed stating that you are aware of our financial structure and your personal responsibility, the application for admission cannot be processed.

### **Individual Student Yearly Cost (Full-time student)**

Once admitted, the student's cost structure below will remain the same **for the entire time of enrollment for up to four years**. If the student drops out or does not return for consecutive semesters (not including summer classes), this benefit will be forfeited. Beginning with the 2026-2027 School year:

Tuition	(\$ 4,500.00 per semester x2)	\$ 9,000.00
Room	(\$ 810.00 per semester x2)	\$ 1,620.00
Board	(\$2,565.00 per semester x2))	\$ 5,130.00

**TOTAL STUDENT COSTS** (except for books/fees) \$ 15,750.00

### **Application for Enrollment**

An application fee of \$100.00 must accompany all applications for student admission before it will be processed. If the application is accepted the entire \$100.00 will be applied to the student bill. If the application is rejected, \$50.00 will be refunded.

Please understand that a maximum of 100 students is all that will be accepted in our first year. Once that number is obtained, other prospective students can be placed on a waiting list if they would so desire.

### **Student Payment Schedule - Fall Semester**

• Application Fee	No deadline	\$ 100.00
• Reservation Amount	June 1 <sup>st</sup> , 2026	\$ 1,000.00
• First Payment	At Registration	\$ 975.00
• Second Payment	Oct. 5 <sup>th</sup> , 2026	\$ 1,950.00
• Third Payment	Nov. 2 <sup>nd</sup> , 2026	\$ 1,950.00
• Final Payment	Dec. 7 <sup>th</sup> , 2026	\$ 1,950.00

### **Student Payment Schedule - Spring Semester**

• First Payment	Jan. 18 <sup>th</sup> , 2027	\$ 1,950.00
• Second Payment	Mar. 1 <sup>st</sup> , 2027	\$ 1,950.00
• Third Payment	April 5 <sup>th</sup> , 2027	\$ 1,950.00
• Final Payment	May 11 <sup>th</sup> , 2027	\$ 1,950.00

### **Part-time Student Financial Information**

The cost of classes for part-time students will be \$150.00 per credit hour. This means that a three-credit course will cost \$450.00, , and part-time students may only take three classes per semester. It should be noted that all part-time students must still fill out an application, be accepted into the college, and further agree to abide by all other pertinent Lighthouse College rules and regulations.

## **Student Tuition Refund Policy**

If any student withdraws within the first two weeks of classes, a 75% refund will apply to tuition, room & board money that has been paid. The third week this amount drops to 50%, and after the third week of classes, there is no refund available.

## **Student Payment Process**

All student payment and fees will be handled through the Admissions/Registrar's office. Payments can be made in person, through PayPal, or through a direct transfer arrangement. Also, payments can be made with cash, by check, by credit card, by direct transfer, or with a certified bank check. No change in what is owed on the student's bill will occur, until all funds clear the respective financial institutions.

## **Student Financial Aid**

While Lighthouse College is new and small, we still have several viable student financial aid opportunities that are available to our students. They are listed below:

- There will be a limited number of partial work scholarship opportunities on campus, that will be available for our students. This will provide up to twenty hours each week of employment at the rate of @ \$12.00 an hour.
- We are building partnerships with local businesses who are enthusiastic about hiring our students at the rate of at least \$14.00 an hour. Some will be offering steady part-time work, while others will be offering full-time 2<sup>nd</sup> and 3<sup>rd</sup> shift opportunities for those who are enrolled as full-time students at Lighthouse College.
- We are able to accept secured student loans for those who need to consider this option.

I \_\_\_\_\_, have read and understand completely the financial disclosure information of the last two pages. I do hereby accept the terms outlined herein, and agree to abide by the specifics of this information.

## **Medical Health / Insurance**

All students attending Lighthouse College must have a general medical health record on file at the college and also provide proof of current medical insurance coverage. The college keeps all medical information confidential, and in no way dictates the specifics of any insurance plan (that is the responsibility of the students and their parents/ guardians), but basic health information must be part of every student's record. Below are the basics of what is needed.

1. A basic health examination certificate from a family doctor or a medical professional.
2. While our college does not require specific mandatory vaccines, we would like a record of those you have received, in the event of an emergency. Please list current vaccines below:
