# PROJECT REVITALIZE

Accelerate Job Creation, Health Equity & ROI through AI,  
Tech & Impact Investing in Underserved Communities

**YOU HAVE BEEN CHOSEN TO DESIGN A “MOONSHOT”  
FOR HEALTH AND ECONOMIC EQUITY.**

**OUR MISSION IS TO CATALYZE REVITALIZATION  
OF UNDERSERVED COMMUNITIES AND DELIVER  
VALUE, SOCIAL IMPACT AND ROI.**

This is a **nationwide** movement to **empower innovative companies** led by diverse leaders that deliver **scalable solutions** that **uplift marginalized populations**. These solutions defy the odds to reach those most in need, partnering with established players to **serve people** with deep understanding and empathy. Together, we will drive **job creation** and **health equity**, **reinvesting** in these communities through a coordinated platform of social impact investing, philanthropy, grants, and strategic partnerships that deliver equity on multiple levels.

**Tune into our Call-to-Action: The AI Revolution Will Not Be Televised**  
Music video inspired by Gil Scott-Heron
