Company Overview

Fixed Forward Solutions LLC is a change management consulting company that was established in January 2024 as a registered company of the state of Texas. Owner/CEO, Bill Meisenzahl formed the company after retiring from the U.S. Air Force after 20 years as a Combat Rescue Helicopter Pilot. Bill formally partnered with change management and delivery expert Jake Case, COO/Senior Consultant, in August 2024 to provide tailored solutions to businesses looking to optimize their business processes and to tap into their growth potential.

Core Competencies

- Business Process Optimization
- Organizational Change Management
- Project/Program Management
- Strategic Planning
- Business Analysis
- Scaled Agile Framework (SAFe®) Implementation and Coaching
- Aerospace and Defense Technical Consulting
- Training Plan Development

Differentiators

- Combined four decades of experience in cross-functional leadership and process optimization across multiple industries in both the corporate and defense environment.
- Highly trained and respected consultants known throughout the change management industry.
- Consultants with expertise in Kanban methodologies and SPC, Scrum, and PMP certifications.
- Graduates of U.S. Air Force Weapons School.
