Appointment of Chief Strategy Officer

To enhance operational efficiency, advance strategic initiatives in blockchain and decentralized technologies, and accelerate its growth in AI-driven solutions, VisionSys AI Inc (the “Company”) has appointed Hakob Sirounian as Chief Strategy Officer (“CSO”), effective on September 24, 2025.

The biographical information of Mr. Hakob Sirounian is set forth below.

Hakob Sirounian has extensive expertise in decentralized finance (“DeFi”) within the Solana ecosystem. He has served as an automated market maker and liquidity provider on platforms including Meteora, Orca, and Raydium, and was an early-stage backer of Solana. His accomplishments include developing risk management protocols, building advanced tools for liquidity providers, and providing liquidity for over \$20 billion in on-chain volume on Solana. From December 2017 to July 2025, he held the position of President and a member of the Board of Directors at TJ&S Enterprises, where he led strategic planning and promoted sustainable growth. He received a Bachelor of Science in Information Technology from California State University, Northridge in 2007. Mr. Sirounian will guide the Company’s long-term strategy, focusing on blockchain adoption and ecosystem partnerships.

The Company entered into an employment agreement (the “Employment Agreement”) with Mr. Sirounian, which establishes other terms and conditions governing his service to the Company. He will receive an annual base salary of \$80,000 and 300,000 restricted American Depositary Shares for his services as the Chief Strategy Officer.

The Employment Agreement is qualified in its entirety by reference to the complete text of the Employment Agreement, which is filed hereto as Exhibit 99.1
