From Your President

Dear CDCTS members,

We are entering my favorite time of year! Cooler weather, leaf colors and good riding times! I am looking forward to our schooling show on the 29th at Hiwassee College. The news is predicting great weather so be sure to come out and join us either by riding in the show or helping by volunteering! I look forward to seeing many of our members out there enjoying the fall weather. Remember this is your chance to get in your schooling show scores for this year's awards banquet. If you are volunteering you can earn volunteer hours to use toward your favorite member trainer!

I also wanted to mention the great time we had at Dressage by the River celebrating Rita Dunn's last dressage show. She earned her gold bar, on top of her other many awards, for Grand Prix freestyle. We are so proud when our members reach their goals, and we love to celebrate with them! We held a party for her after her class and surprised her with champagne and finger food. I have to give credit to Meg who first came up with this idea and got us together to get it accomplished! Great job Meg!

As we come closer to the end of the year, remember we have fall fun day coming up on October 27th. Plan your costume if you want to compete in the costume portion, but Carolyn Ordal has many fun activities planned for that day! Come and have fun with us! It should be a great time for everyone! And don't forget, we have a great lecture planned from Dr. Valk at the Vet School on October 13 from 2-4. We had to cancel the first one due to problems with parking related to the UT football game. October 13 is an away game so parking will not be a problem. As you can see there are many activities for club members as well as the public to participate in at this time of year. Come on out and let's have a great time together!

Fall Fun Day (aka Mock Hunter Pace)

9:30 a.m.-3:30 p.m.

Saturday, October 27, 2018

River Glen Equestrian Park – 1834 London Rd, New Market, TN 37820.

Class 1: Walkers — Teams of 2-5 riders who want to walk (and maybe a little trot) while they enjoy a ride around River Glen Equestrian Park. This group's teams will start at 3 minute intervals, starting at 9:30 a.m. The last team should be on course by 10:30 a.m. If more than 20 teams sign up for this Group, all other times will be adjusted accordingly. There will be a mandatory stop on course. Team closest to optimum time wins.

Class 2: Hilltoppers — Teams of 2-5 riders who want to walk, trot and do some cantering around the course at River Glen Equestrian Park. This group's teams will start at 5 minute intervals, starting at 11:30 a.m. There will be a mandatory stop on course. Team closest to optimum time wins.

Class 3: Fast 'n Furious — Really just sort of fast, and hopefully having a good time, so they are not "furious". Teams of 2-5 riders who elect to travel the course at a USEA Novice level eventer's pace. This group's teams will start at 3 minute intervals beginning at 1 p.m. Team closest to optimum time wins.

Class 4: Jump class — For those who want to soar (maybe not soar, this is not WEG!!!) over jumps. Maximum height is no more than 2'3". Jump course starts at 2:15 p.m. Individual entries or no more than 3 on a team. Individual or Team closest to optimum time wins. We are only using the starter novice jumps at River Glen.

Class 5: Costumes! — There will be no separate costume class, but anyone in any group can ride in costume to qualify for a ribbon in this class. Awards in both Adult and Kids Under age 16 categories.

Class 6: Run for the Money! — Do you feel Lucky? Each team will be dealt 5 cards for a 5 card stud poker hand. At some point on the course, the team will have the option to trade in up to 3 cards for new ones. The team with the best hand wins! Along with a ribbon, 1st place team gets the entry fee for this class (\$15) back, 2nd place team gets a ribbon and \$10 back and 3rd place team gets a ribbon and \$5 back. The 4-6th place finishers just get pretty ribbons.

Class 7: Wine/Whine by the Barrel! — This is for teams of 2. Rider A starts at one end of the area, rides to the barrel in the middle and drinks a glass of wine (or lemonade), then proceeds to the opposite end of the arena. Rider A must hand tag Rider B who repeats riding to the barrel, drinking the wine (or lemonade) and crosses the start/finish line. Fastest Team wins! A special prize awaits the winning team! Must show valid ID in order to have wine by the barrel. Otherwise, you can just whine about it.

Rules: Each class (1-4) will have a predetermined optimum time and winners are based on closest to optimum time.

Entries: Classes may be entered at the start of the day and will be accepted 15 minutes before your class has started.

Please show current negative Coggins, turn in entry form and fees 15 minutes before the start of your class.

BUCKET LIST TRIP TO IRELAND!

Horseback riding across Ireland is on my bucket list! Who wants to join me???

I'm planning to do this around Labor Day 2019. I've researched several options of riding tours and will be glad to share my findings.

My plan is to arrive a few days ahead of the riding portion to be a tourist in Dublin and get acclimated to the 5 hour time difference. Then do a week long ride before going home.

My first estimates are that the trip will cost around \$2800 which includes round trip airfare from Knoxville, the riding portion and the stay in Dublin. Obviously price will depend on 2019 prices and exchange rates.

In the meantime, TEXT me your name if you are interested in finding out more! We'll figure out a time and day to meet and discuss options.

Let's go adventuring! Carolyn Ordal; Cell: 443-670-2108

UNDERSTANDING YOUR HORSE'S MOVEMENT TO INCREASE PERFORMANCE, LONGEVITY AND PSYCHE

To strengthen and enhance equine well-being, it is important to ride and work horses in healthy postures. Throughout this course, students will connect the why and how of balance and collection to understand how a horse's anatomy, muscular development, and movement patterns affect his performance under saddle. The 2 ½ day lecture series explains healthy movement in depth and gives the learner the opportunity to develop their eye so they can see healthy and unhealthy postures. Students will:

- Learn what to look for in healthy movement and muscular development.
- Discover what creates a healthy posture in riding horses.
- Evaluate a horse's posture and anatomy from a new perspective.
- Add tools to develop horses' postural strength.

Early Bird Membership Special!

Reduced Membership Price Offered for a limited time only!

Why so early you ask? CDCTS' membership year parallels that of USDF year, so your CDCTS membership expires on November 30, 2018. USDF requires the first list of renewals/new members by early November in order for us to maintain our GMO status. Our member lists are sent in on the second Wednesday of every month so if your application does not arrive before that date, it will be another month before USDF receives your membership information.

In an effort to encourage our members to remain current, we are offering an early bird membership special price for both renewing and new members.

The cost per adult member will be reduced by \$5.00 from the 2018 price of \$52 for an adult membership, so if you get your membership application to the secretary, postmarked by November 15, 2018, you will **pay only \$47.00**.

After November 15, 2018, the cost for each adult membership will return to \$52. Charter member prices remain \$23. Additional family members are still only an additional \$13 each and Junior/Young Rider membership remains the same at \$28, no matter when their applications are received.

**So beat the deadline, save \$5.00 off last year's prices
and send your application in now!**
