- Trailhead

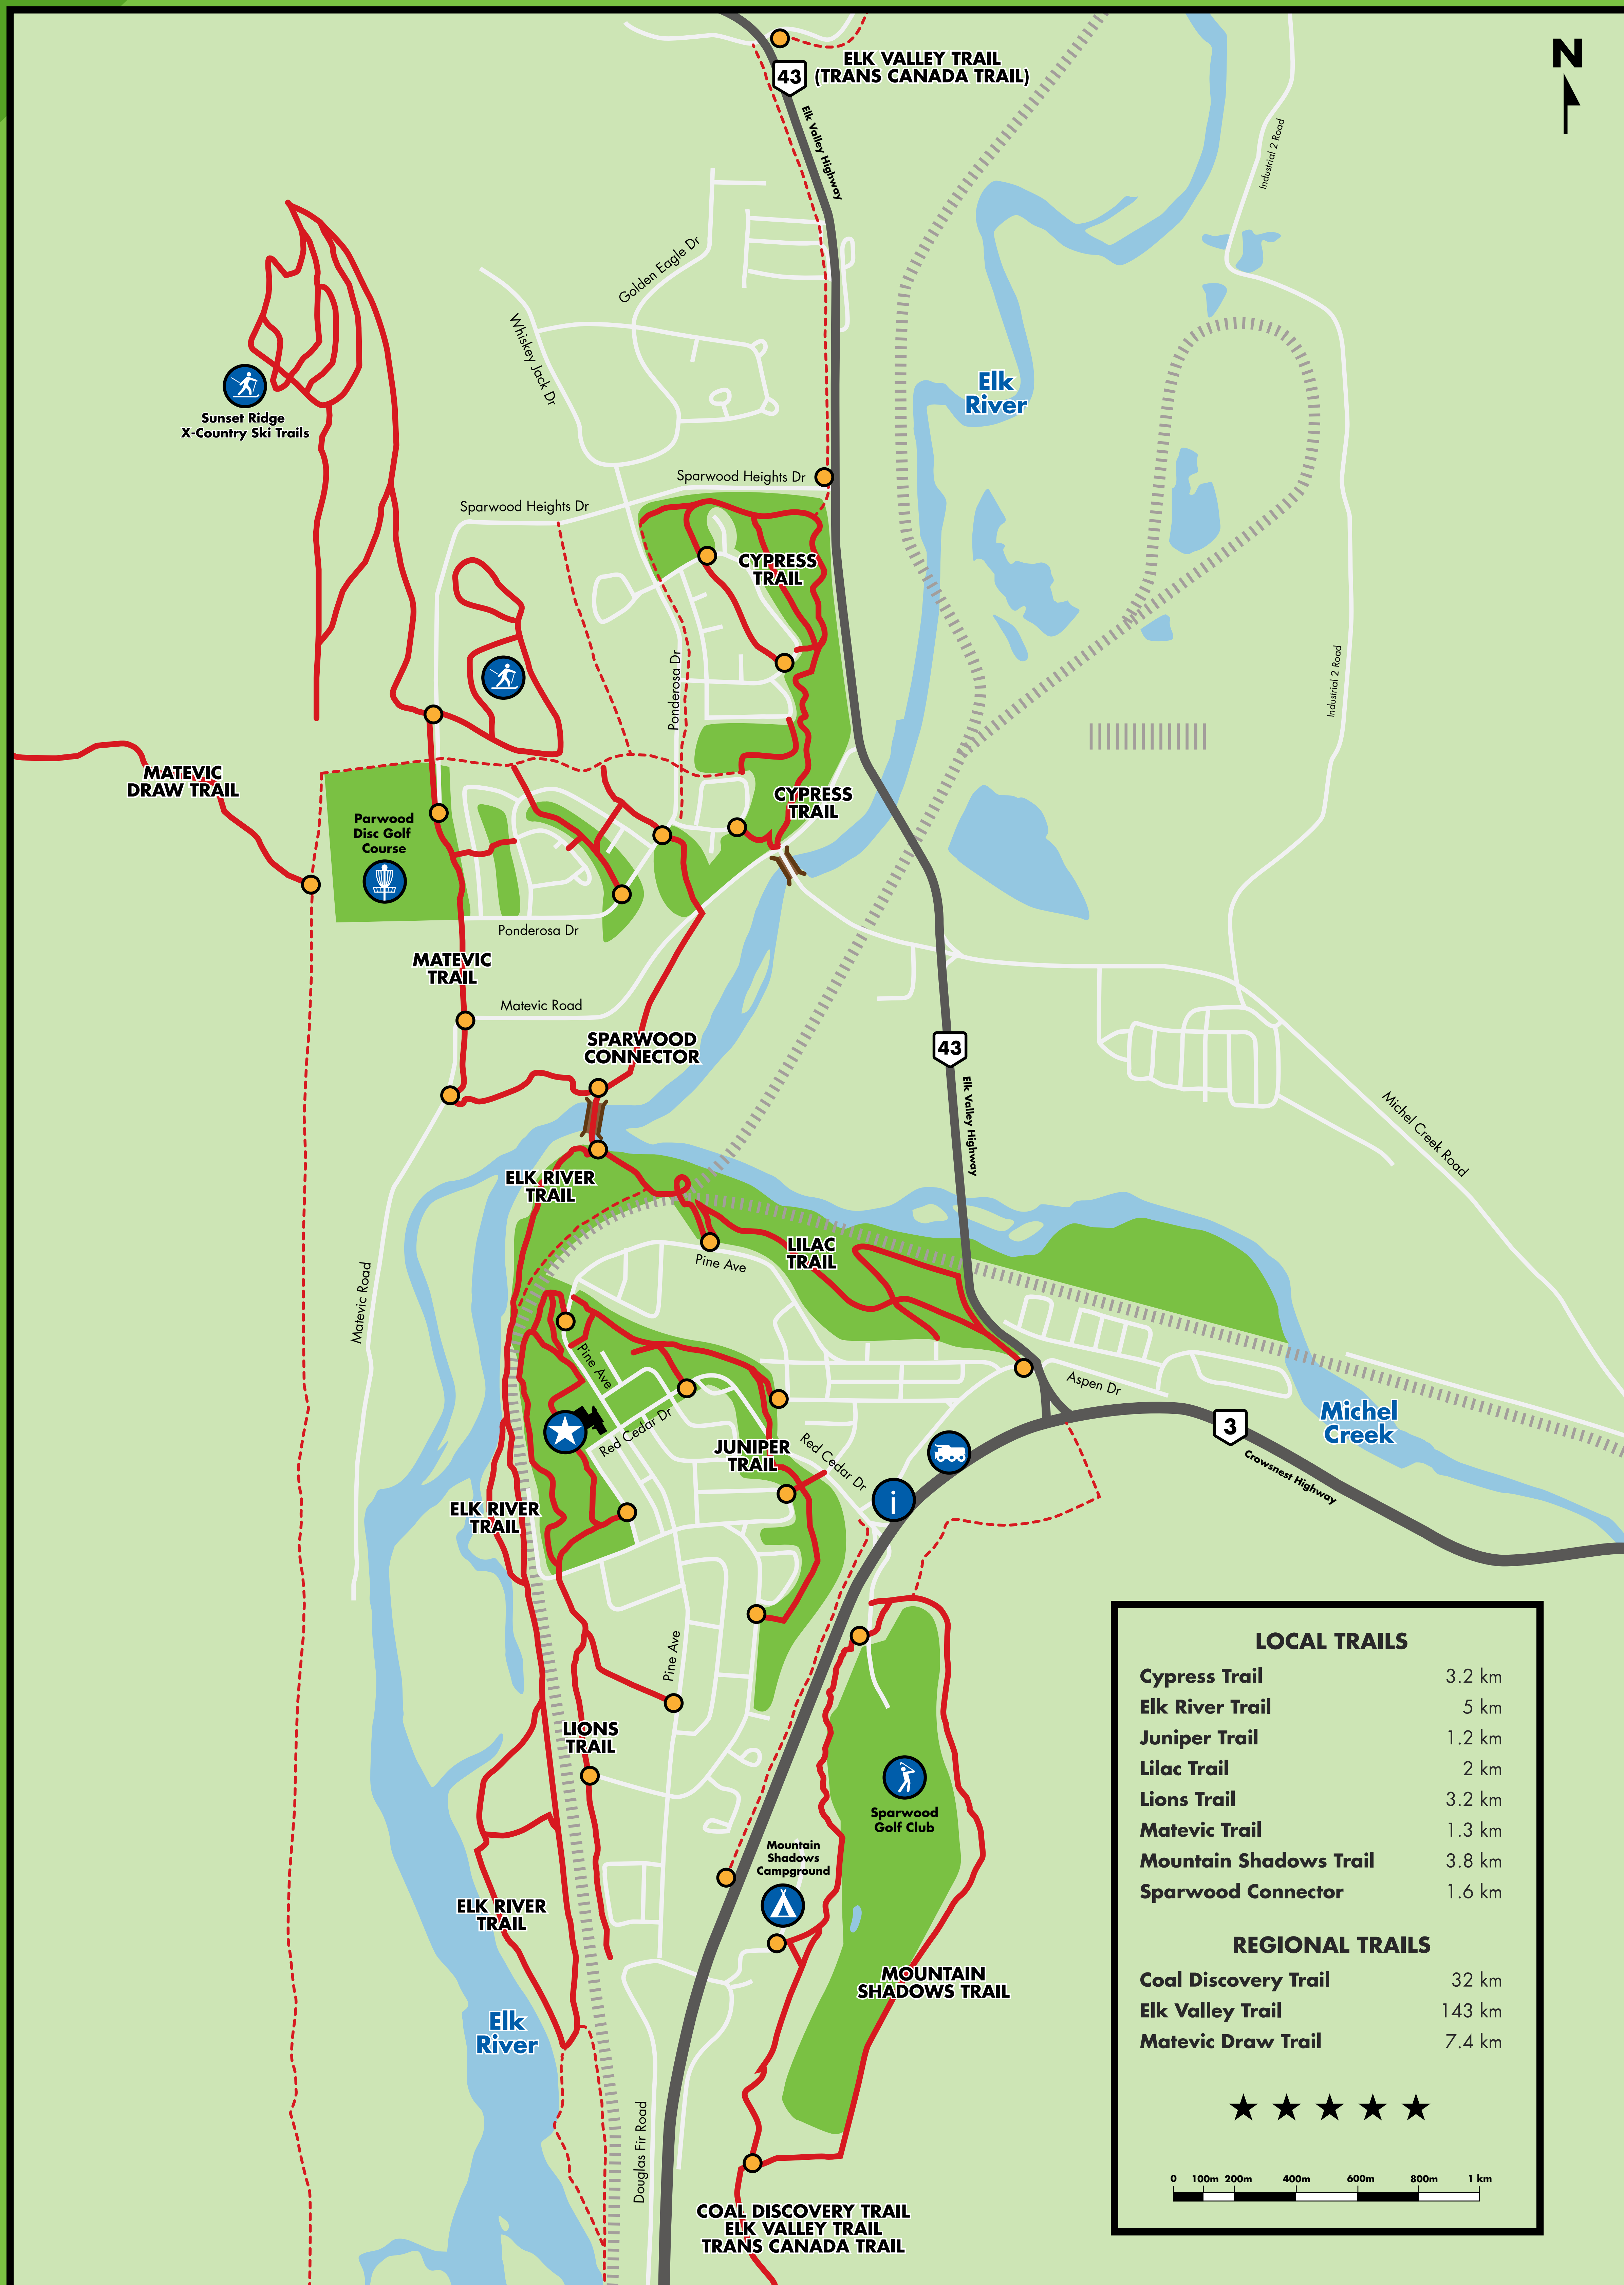

## Welcome to the Sparwood Trail System!

These trails are for all to enjoy.  
Whether on bike, running or walking, please follow these rules of etiquette.

- ★ These trails are for **non-motorized** and **non-equestrian** use only.
- ★ While these trails are designed for all abilities, be aware of changes in grade, trail surface, natural features or presence of technical trail features. **Use at your own risk.**
- ★ **Respect wildlife.** Unannounced approaches and sudden movements startle animals. This can be dangerous for you, others and the animals. Make noise and be alert at all times.
- ★ Clean up after your **pets**, keep them on a leash and be in control of them at all times.
- ★ **Share the trail.** Take care while passing others, slow down on crowded trails and be prepared to stop if necessary. Yield to hikers/walkers.
- ★ **Respect the environment.** Stay on the trail, going off-trail will damage the ecosystem. Leave no trash, take out all litter.
- ★ Respect **closed trails** as they are closed for your safety and for environmental reasons.
- ★ When heading out on any trail, **prepare** according to the weather, terrain and activity. Tell someone about your route and how long you will be. If possible, carry a mobile phone.
- ★ Watch for **fallen trees** or new **hazards**. Report all hazards to 250.425.6271.
