Invented for life

Key Features

- Patented beam design reduces exposed metal, resisting ice and snow build-up for all-weather performance
- Graphite treated wiping edge reduces friction for a quiet and smooth wipe in all seasons
- Easy installation with the Click-On™ adapter system

Rislone CAT COMPLETE™ Fuel, Exhaust & Emissions System Cleaner
34720

CAT COMPLETE™ Fuel, Exhaust & Emissions System Cleaner has high-performing detergents and heavy duty cleaning solvents that effectively scrub and remove contaminants, soot, carbon build-up, and oily residue from the fuel injectors, combustion chambers, turbo, EGR, catalytic converters, oxygen sensors and the exhaust system. These along with other active chemical agents, react with the gases created in the combustion process to remove the remaining inorganic deposits. This process restores their function and with regular use maintains efficiency.
