

# CHILDREN & YOUTH: SUNDAYS AT ST LUKE'S

## A CHURCH FOR EVERY AGE

St Luke's is a church of people of all ages. We want everyone to hear about Jesus and come to know life with him.

On the first Sunday of each month, at 10.45am, we have service where every age is together. The service is about an hour long and has something for everyone.

## & BUBBLES! EXPLORERS!

There are two groups for children on most other Sunday mornings:

Bubbles (0-5 years old)

Explorers (5-11 years old)

Everyone starts in church at 10.45am before heading next door to Thurnby Memorial Hall for Bible teaching, games, creative activities, and lots of fun!

## pathfinders.

Pathfinders is our Sunday morning Bible study group for anyone in School Year 7 and above. We usually start in church at 10.45am with the whole church family for a time of worship, and then go out to meet in Café Fifty Five. We study the bible together, pray, play games, and enjoy snacks.

The safety and care of young people is important to us. All our staff and volunteers are fully screened and complete safeguarding training and DBS checks.
