

MARAHUYO is a literary Tagalog word that means to be induced, persuaded, attracted, or enchanted, and Marahuyo at Paraiso Roberto located at Sader Beah provides just that – an off-grid, private and secluded sanctuary that offers an off-the-beaten-path accommodation, perfect for travelers looking for rest and relaxation, far away from the humdrum of crowds.

It's an escape from the usual tourist destinations in Palawan, only 1 hour away from El Nido, 30 minutes away from Taytay, and 4.5 hours from Puerto Princesa. We promise that your visit will be worth the journey.

### Make It Yours

---

Marahuyo is not a hotel, but we do want to make your stay as comfortable as possible. Our staff will be there to help and ensure that you enjoy your stay as much as we, the owners, do whenever we spend time there. We've been spending our holidays in the area for many years now and have decided to share our experience with you.

## Kitsurfers' Paradise

Sader Beach is, perhaps, Palawan's best kept secret when it comes to kitesurfing. We know! This is precisely how we discovered the place and the reason why we have been coming back to the spot for the last seven years! As a beginner, you'll appreciate the wide and shallow beach for launching and landing. As a semi-pro or professional, you can enjoy the wind and waves all to yourself.
