First and Foremost...

THANK YOU!

Less than a year ago, The Grace Network was just an idea. Now, we are in 30+ schools and aiding 1,110+ students in their fight against homelessness. We did not think we would be here this quickly, but our rapid growth comes from 2 key factors:

- The AMAZING support of our donors and volunteers
- The severe need for the health and hygiene items we provide amongst Chicagoland students

We are so happy to be where we are today, but we still have a lot of growing to do!

What's New @ The Grace Network?

Washer/Dryer Donation

Abt Electronics kindly donated 5 sets of washer/dryers currently being installed at 5 of our partner schools. This will greatly improve the quality of life for many of our students without access to laundry.

THANK YOU ABT for this incredible donation!

Junior Board

We are so excited to work with our founding Junior Board high school students!

Jr. Board Members responsibilities include: organizing packing events, social media communication and various supply drives and fundraisers.

If you know a high schooler who may be interested, email:
jrboard@gracenetworkchi.org

Note to Our Donors

We simply cannot do this without you. Here is a breakdown of where your dollars go:

- We supply **\$25** worth of health and hygiene items to our students 3 times a year
- $\$25 \times 1000 = \mathbf{\$25,000}$ | $\$25,000 \times 3 = \mathbf{\$75,000}$ a year
- **100%** of your dollars go to the students, thanks to our volunteers

As we grow, so do our needs, please click here to make a donation:
