

STORYBOOK
VILLAGE PRESCHOOL

I GO TO PRESCHOOL

A caring story about playing and making friends!

This is the sign in front of my preschool.

When I get to preschool, I see my teacher, wash my hands, and then say goodbye to my grown-up. My teachers will help me say goodbye so I feel loved and safe. My teachers are happy to see me!

I can hang my jacket on a hook under my cubby. I see my name everywhere in my classroom.

I always know what is happening during the day. I can look at our schedule on the clock to see what is happening next. I can choose how I want to play!

Expectations

We Are Healthy

The agreement is we wash our hands before and after eating.

We Are Kind

The agreement is that we ask our friends if they can help them and wait for their answers.

We Are Safe

The agreement is we can have two friends at a time on the loft.

We Are Respectful

The agreement is that we are gentle with our markers. We draw on the paper.

I am learning the expectations and agreements. I make good choices because I am kind, respectful, healthy, and safe.

I have a water mug with my picture on it. When I am thirsty, I can get a drink of water. I am healthy!

My teachers at my school care for me and help me. I tell them when I need something. I can share my feelings with them! They care how I feel and will always help me.

I may have some old friends or new friends I play with. Sometimes, though, I feel like playing alone. We have a Cozy Cove inside and outside to tuck away like Tucker Turtle when I want to take space.

There are lots of
different things to
play with at school.
I like to have fun
and learn new
things. I enjoy
helping the garden
grow. I am kind.

Playing in the Atelier, I like making things with my hands. I am creative. I am curious about big ideas and share space with my friends. I am careful with the materials. I am respectful.

When I play outside, I like to run and climb through the tunnel. I also enjoy playing in the mud kitchen, using the water pump, and riding tricycles with my friends.

I share my ideas with my friends and teachers. We can explore materials together as we make beautiful art.

My friends and I may need help when there's a problem, but my teachers and I know how to solve problems. When there is a problem, we have solutions!

When playtime finishes, I help pick up the toys. I am respectful.

The children and teachers come together to learn new things and sing songs. We also enjoy sharing stories. I am a kind listener.

When my nose is runny, I get a tissue to clean it. Then, I put the tissue in the garbage and wash my hands. I am healthy!

There is a children's bathroom at my preschool. I go to the bathroom when I need to use the toilet. My teacher is always nearby if I need help. Then, I flush the toilet and wash my hands.

I wash my hands with soap and water and then dry them. I'm very good at remembering to wash my hands. I am healthy!

I eat lunch with my friends and teachers. Sometimes, I help cook the meals and prepare the tables. I can look for my family picture next to the plate to know where to sit.

Some of us are at school all day, and some friends go home right after lunch. We can have our lovey during rest time.

After resting, I play with my friends, have an afternoon snack, and play more!

We will play outside until we're ready to go back inside at the end of the day.

At the end of the school day, my friends and I will go home. I am safe and loved while I am at school!

Everyone at my preschool loves me, and I'm excited to see them next time. When everyone has left, my preschool closes, and the teachers also go home to their families.
