I GO TO PRESCHOOL

A caring story about playing and making friends!

This is the sign in front of my preschool.

When I get to preschool, I see my teacher and say hello. My teacher is happy to see me, and I am happy to see my teacher.

I put my lovey in my cubby so it stays safe. I hang up my jacket on my hook.

My name is on my cubby. I see my name everywhere in my classroom.

Then, I go to the bathroom with my grown-up to wash my hands. I wash my hands with soap and water. When my hands are clean and dry, I am ready to start my day at preschool!

When it is time for my family to go, we have a special goodbye ritual. First, we read one book together. Reading a book helps my body feel calm and ready.

Next, we share a big hug. Hugs help me feel safe and loved.

Then, we walk to the
Goodbye Window.

I wave and say goodbye.
My family waves back.

Even when my family
leaves, they always come
back. I am safe at school,
and I can have a fun day.

I always know what is happening during the day. I can look at our schedule on the clock to see what is happening next. I can choose how I want to play!

Expectations

We Are Healthy

The agreement is we wash our hands before and after eating.

We Are Kind

The agreement is that we all get to play. We can help them and wait for their turn.

We Are Safe

The agreement is we can have two friends at a time on the loft.

We Are Respectful

The agreement is that we are gentle with our markers. We draw on the paper.

I am learning the expectations and agreements. I make good choices. I am kind, respectful, healthy, and safe.

I have a water mug with my picture on it. When I am thirsty, I can get a drink of water. I am healthy!

My teachers at school care for me and help me. I let them know when I need something, and I can share my feelings with them. They care about how I feel and will always help me.

The children and teachers come together during circle time to learn new things and sing songs. We also enjoy sharing stories. I am kind and respectful.

I might play with old friends or new friends. Sometimes, I feel like playing by myself—and that's okay! We have a Cozy Cove inside and outside where I can tuck away like Tucker Turtle when I want some space.

There are so many fun things to explore at school! I love playing, learning new things, and helping our garden grow. I am kind and like to help others.

While in the Atelier, I like making things with my hands. I am creative and curious about big ideas. I share space with my friends and am careful with the materials. I am respectful.

I share my ideas with my friends and teachers. We explore materials together and make beautiful art.

When I play outside, I love to run and climb on our magical play structure. I also like making muddy creations in the mud kitchen, using the water pump, and riding tricycles with my friends.

My friends and I may need help when there's a problem, but my teachers and I know how to solve problems. When there is a problem, we have solutions!

When it's time to clean up, I help put the toys away. I am respectful.

When my nose is runny, I get a tissue to clean it. Then, I put the tissue in the garbage and wash my hands. I am healthy!

There is a children's bathroom at my preschool. I go to the bathroom when I need to use the toilet. My teacher is always nearby if I need help. Then, I flush the toilet and wash my hands.

I wash my hands with soap and water, then dry them. I'm great at remembering to keep my hands clean. Staying healthy is important to me!

I eat lunch with my friends and teachers. Sometimes, I help cook the meals and prepare the tables. I can look for my family picture next to the plate to know where to sit.

Some of us stay at school all day, while some friends go home right after lunch. It feels good to give our bodies a rest.

After resting, I play with my friends, have an afternoon snack, and play more!

We will play outside until we're ready to go back inside at the end of the day.

When we miss our families, we can look at our family books to feel their love and remember that we will see them soon.

When my day at preschool is over, my grown-up will pick me up. I will say goodbye to my teachers and friends.

Goodbye, goodbye, it's time to leave. I will see my teachers and friends again very soon.
