Monthly Tuition and Enrollment Fees

The hours and daily routines allow us to honor our values of providing quality care and education while caring for each child. We focus on the needs of the collaborative community while honoring children's learning processes. Children are enrolled in a part- or full-day schedule. We cook lunch and provide morning and afternoon snacks daily. Extended care is also available before and after the full-day program for an additional fee.

Storybook operates as a year-round preschool program. Tuition is calculated as an annual amount and divided into 12 equal monthly payments. Payments are due regardless of school closures for holidays, professional learning days, or other reasons, and no adjustments are made for family vacations, illness, or absences. We follow the local school district calendar for holidays, including early dismissal at 12:30 p.m. on the second Wednesday of each month for professional learning, along with additional scheduled closure days. Tuition rates may be adjusted with a 30-day notice.
