RELATIONSHIPS ARE AT THE VERY HEART OF THE REGGIO EMILIA PHILOSOPHY.

"Every child needs one person who is irrationally crazy about him"

Uri Bronfenbrenner

Our Vision

Inspired by the schools of Reggio Emilia, Storybook Village Preschool is dedicated to enriching the lives of children in our community, strengthening families, and providing a foundation of positive values and teaching loving rituals centered on the Teaching Pyramid Framework.

Our Programs

THE CLASSROOMS

Our early childhood educators teach children about their world, expressing feelings, problem-solving, and friendship skills within our heart-centered and supportive environment. We implement developmentally appropriate emergent curriculum, building positive and lifelong relationships!

THE ATELIER

We have a separate space from the Great Room to create magic as our atelier, where children work with light/shadows, sensory materials, and various child-accessible artistic media.

THE KITCHEN

Precious wisdom is shared through curious hands as cooking explorations and preparing for mealtime are part of relationship-driven learning. We provide homemade lunches and snacks. Visit our website to see our school menu. Mangia! Mangia!
