STORYBOOK VILLAGE PRESCHOOL

Touring & Waiting List Information

Please keep in mind that Storybook Village Preschool does individual tours for families as long as there is an opening for your child. If your child is on the waitlist, you will receive a tour once we have a space or invite families to our scheduled multi-family tours or open house events. We believe each family deserves an early childhood educational experience that will engage and celebrate the minds and hearts of young children. We feel honored that you are choosing our school to be part of your family's story since we know so many factors are involved in making this big decision!

To secure your child's spot on the waitlist or to hold that place if offered a space, please submit a completed application and a non-refundable \$50 Application Fee. The application can be submitted via mail, email, or in person. Once the application and fee are submitted, you will hear from us within two weeks.
