Storybook Village Preschool

What to Bring
& Not Bring to Preschool

Toddlers & Preschoolers Bring:

- School lunchbox
- Shoes and clothes that allow your child to participate in physical and messy activities actively
- Rainboots
- Disposable Pull-ups, wipes (if potty training)
- Two changes of clothes, season-appropriate
- One small stuffed animal for rest time, if needed
- Sweater or jacket, labeled

SPECIAL NOTES

Please check with the teaching staff as well. We have school rain trousers for each child to wear during messy play or wet seasons! All children need to be dressed in "user-friendly" elastic-waist clothing as much as possible to promote self-help skills. We provide rest time cots and bedding.

MEALTIMES

We provide nutritious snacks, and families provide lunches. We are a No Nut Facility. Please visit our website to see the school snack menu. Your child will have a water mug with their picture on it.

Thank You

FOR BEING OUR PARTNERS

What Not to Bring:

- Toys and accessories
- Candy, sweets, juice, and chewing gum
- "Jellies," backless sandals, flip-flops
- Masked hoodies
- Violent or inappropriate clothing
- Umbrellas
- Anything unlabeled
- Medication (see Director)
- Illnesses, including the common cold

CELEBRATIONS

We believe birthdays, celebrations, and seasonal events are a great time to include nutritious foods and active play. If you want to bring a snack to celebrate your child or family, please make it healthy. Here are some ideas for Celebration Treats: fresh fruit cups, fruit salad, cookie-cutter-shaped cheese with crackers, yogurt and fruit parfaits, and homemade bread or muffins. Please do not bring party favors to the school. Thank you!

FAMILY PICTURES

We want them to make each child a Family Book, including using them as visual strategies to support separation, teaching feelings, support transitions, sharing and talking about our families at school, and sharing how each family is special in our school. Please email your family pictures to Nicole. Thank you!
