

Dear Parent/Caregiver:

Welcome to our screening and monitoring program. Because your child's first 5 years of life are so important, we want to help you provide the best start for your child. As part of this service, we provide the **Ages & Stages Questionnaires®, Third Edition (ASQ-3™)**, to help you keep track of your child's development. A questionnaire will be provided every 2-, 4-, or 6-month period. You will be asked to answer questions about some things your child can and cannot do. The questionnaire includes questions about your child's communication, gross motor, fine motor, problem solving, and personal-social skills.

If the questionnaire shows that your child is developing without concerns, we will provide some activities designed for use with ASQ-3 to encourage your child's development and will provide the next questionnaire at the appropriate time.

If the questionnaire shows some possible concerns, we will contact you about getting a more involved assessment for your child. Information will only be shared with other agencies with your written consent.

We look forward to your participation in our program!

Sincerely,

*Nicole Monachello*
