Storybook Village Preschool (Facility #493010694), referred to in this agreement as the "Preschool," is a child care center licensed by the California Department of Social Services to provide Child care for up to 30 children. For this purpose, child care means non-medical care for children in need of personal services, supervision, age-appropriate activities, and education. The Preschool accepts children from ages two years old to before kindergarten. We, _____ (name[s], Legal Parent(s)/Guardian(s) referred to collectively as "Parent") of _____ (Child's name) ("Child") agree to comply with the following rules and regulations of Preschool beginning on _____.

Services Offered: The Preschool is a state-licensed preschool open to any child, regardless of race, sex, or religious background. The Preschool provides a Reggio-inspired, emergent curriculum for children ages 2 to 5 Monday through Friday, from 7:30 am to 5:00 pm. We are devoted to providing a relationship-driven, stimulating, hands-on learning environment for children to learn friendship and life skills. The Preschool has year-round enrollment. Admission and schedules are based on availability.

There are no optional services offered at this time.

Scheduled Attendance: The child care service starts on _____ in the _____ room. The contracted days are _____ from _____ (time). Changes to the agreed attendance schedule must be made in writing and approved by the Director. The Preschool also requires the signing of a new Admission Agreement for approved schedule changes.

Tuition Schedule and Fees: The monthly tuition is _____, which includes Extra Care hours if space is available. The first month's tuition will be prorated depending on the starting date.

Deposit Amount received: _____ Date: _____ Check #: _____ ACH Form Completed _____

COMMUNITY CONNECTIONS

- Yes, please add our email to the Family Directory. Sharing contact information is a great way to help parents/guardians coordinate their playdates and connect with other families.

 - Yes, please share photos and videos of my Child's learning experiences occasionally on the School's social media pages. The Preschool will not share the children's names.
-

TUITION AND FEES

- The monthly tuition is due on the 25th of the month before the upcoming month's care. If tuition is not paid by the end of the business day, it is considered "late" and will result in a \$50 late fee being added to your account. Late or non-payment of fees is sufficient to terminate services immediately.
- There are no tuition reductions or credits for planned or emergency closure days, illnesses, or absences. Tuition and fees WILL NOT be adjusted:
 - Due to family vacation, sickness, or any other absence.
 - Due to unforeseeable circumstances (i.e., wildfire, earthquake, illness breakout, etc.)

Payment Methods

- ACH payments are set up through Tuition Express. The Preschool sets the recurring date for the payment to the 25th of each month.
- Submit checks in the TUITION BOX by the 25th of the month near the office entrance. Please do not hand payment to the program director or teachers to avoid misplacement of checks.

Late Pick-up Fee: If the Child is picked up after their scheduled pick-up time, there will be a \$20 fee for every 15 minutes. The late pick-up fee is not equivalent to an agreement to provide after-or-before-hours service, nor will it apply toward tuition. Frequent late pick-ups are grounds for termination from Preschool.

Return Payment Fee: A \$50 service charge will be charged for a returned/bounced check or ACH payment. Parents may be asked to pay tuition in cash or cashier's check if there is a history of frequently returned/bounced checks.

Non-Refundable Deposit and Fees: Parents are required to pay the Preschool a \$500 non-refundable deposit at the time of enrollment to hold a child's place when a start date is agreed upon. Waiting list application fees and pre-enrollment fees, including the deposit and registration fees, are nonrefundable.

Refunds: When a written 30-day notice is provided to the Preschool, the \$500 deposit is applied to the Child's final month of tuition. The final 30 days are expected to be paid regardless of the Child's attendance. The Parent must pay the difference to the Preschool if the outstanding fees exceed the deposit. If the Parents have pre-paid, in which case, the Preschool will deduct those fees from the deposit and refund the difference to the Parents on the last day of the 30-day notice.

If, at the time of termination by the Preschool, the Parent has paid the Preschool more fees than owed to the Preschool, the excess fees will be refunded, not including the non-refundable enrollment fees. Further, the Parent's deposit will be

applied to the Parent's outstanding fees, in which case the Preschool will deduct those fees from the deposit and refund the difference to the Parent.

Annual Registration Fee: A \$100 yearly registration fee is required for returning families during re-registration every January-March.

Walking Field Trips: The Preschool will take children on periodic walking field trips in the neighborhood. Parents must sign a field trip form to permit the Preschool to take their children on the field trips. There may be a fee to enjoy a treat at a local business, such as Yogurt Time.

SCHOOL CLOSURE DAYS AND CALENDAR

At the beginning of each school year, the Preschool provides families with a calendar of the days that the Preschool will be closed. The planned school closures are subtracted from the annual budget, so each family's monthly tuition must be paid to sustain operating days.

The Preschool reserves the right to the following with an appropriate notice given to the families:

- Close the School, revise the school calendar, and determine instructional times and schedules
- Determine staffing needs, modify faculty and staff schedules and responsibilities, and terminate services

The Preschool follows the local school district closures for holidays, including the following planned closures:

- **Minimum Days:** Early closure at 12:30 pm on the second Wednesday of each month for professional learning
 - **Seasonal Breaks:** Closed for a total of three weeks, which are scheduled separately in the winter, spring, and summer
-

TRIAL PERIOD AND WITHDRAWAL/TERMINATION OF CHILD CARE

One-Month Trial Period: Families are given a one-month trial period to determine if Storybook Village Preschool is the right fit for their Child and family. During this one-month trial period, the Preschool will also determine whether or not the School can meet the Child's needs while determining the needs of the currently enrolled children. Before the trial period ends, the Preschool and Parents will discuss whether to continue services beyond the one-month trial period. The withdrawal and termination notice requirements below are not applicable during the trial period.

Withdrawal from Preschool by Parent: The Parent must give the Preschool at least 30 days written notice of withdrawing the Child from Preschool. If the Parent fails to give the Preschool 30 days' written notice of their intent to withdraw or the notice is not provided, the Parent will still be charged for one month's tuition from either the Child's actual last day at the Preschool or the day the notice of withdrawal is given to Preschool.

Termination by Preschool: Preschool reserves the right to terminate services for any reason with two weeks' written notice. Some common reasons for the termination of services beyond not being able to meet the Child's needs and behavioral concerns requiring additional support staff include but are not limited to:

- If monthly tuition fees are not paid in full or are frequently late
- If the Child is picked up late frequently

- If parents fail to adhere to Preschool policies, procedures, or agreements
- If a parent exhibits unprofessional and disrespectful behavior toward staff, children, or other parents
- If a parent fails to provide or sign the required school forms and documents

Immediate Termination: Preschool reserves the right to terminate services immediately if, in the sole judgment of Preschool staff or administrators, a child's or a Parent's behavior poses a significant threat to the physical or mental health or well-being of one or more of the other children at the Preschool, Preschool staff, or other persons on Preschool premises.

PROGRAM POLICIES & PROCEDURES

Family Handbook: The Parents have seen and read the Preschool Family Handbook and agree to abide by all its policies and procedures. Below are the non-negotiable agreements and policies which can be found in the Family Handbook:

- Parking lot safety tips are shared with the Parents. Parents are respectful of the business neighbors' parking signs and the traffic flow.

Discipline & Guidance:

- Guidance is free of corporal punishment, pain, humiliation, or intimidation.
- Toys are not allowed at the Preschool. Parents are encouraged to write their Child's name on all clothing and personal belongings; the Preschool shall not be responsible for lost or broken items.

PRO-SOCIAL BEHAVIOR PHILOSOPHY & POLICY

Through Family Involvement

Storybook Village Preschool's mission is to foster a caring community that celebrates every child's diverse strengths and learning styles and promotes a sense of belonging and purpose to the learning community.

Storybook Village Preschool (SVP) believes that all children have a right to be treated with dignity and respect and to play and learn in a safe, healthy environment. SVP strongly believes that families and early childhood educators are partners in care and co-responsible for their child's success at school. SVP is a Teaching Pyramid partner implementation site. The educators have been trained to support behaviors while understanding that social-emotional development is foundational for learning and development in young children and are committed to promoting and supporting healthy social-emotional development in all children.

Children's social and emotional development is an SVP program priority, including part of each child's [Personal Rights](#). Our educators are encouraged to build positive relationships with every child and their family by creating environments reflective of their family, supportive, and using positive teaching strategies. When problematic behavior takes place, it is addressed and redirected to teach replacement behaviors. The following highlighted strategies are used to address inappropriate/problematic behaviors:

- Educators will create an environment where every child and their family feel welcomed and engaged;
- All educators acknowledge the child as often as possible for appropriate behaviors through positive descriptive acknowledgments (e.g., listening, problem-solving, taking the initiative, showing determination, etc.);
- Educators will use a variety of methods to support the child in developing friendships, learning to express and recognize feelings, learning how to manage anger and impulses, and learning to problem-solve;
- Teaching teams will meet to discuss and focus on prevention, teaching appropriate skills, and the importance of respecting the rights and feelings of others.

Expectations for Children's Positive Behavior at School

SVP acknowledges that children are individual and unique in nature, and we are committed to supporting all children so that they can meet the following expectations:

- Develop positive relationships with peers and adults;
- Understand and respect the rights and feelings of others (i.e., emotions, belongings, personal space);
- Recognize how to behave safely and act responsibly.

Family and School Agreements

Should a child require additional support in meeting these expectations, the school and parents/guardians agree to participate in the following as needed:

- Informal conversations and meetings between family and teaching staff to discuss concerns, successes, strategies, etc.;
- Conference with the parents/guardians, teacher, and Director to brainstorm, problem-solve, and identify home-school supports and community resources that may be needed;
- Develop a positive behavioral action plan with [The Consultation Project](#) (ELI agency) that will promote social and emotional growth and enable the child to learn and succeed in preschool and at home.

If the above strategies are unsuccessful in supporting a child's positive behavior at school:

- Alternative programs that will more effectively meet the child's needs will be explored, and;
- Transition and separation from SVP in the best interest of the child and family will take place.
