

WWOA represents water, wastewater, and biosolids professionals in the Chesapeake Bay region. We are dedicated to improving the environment through the advancement of knowledge.

WWOA IS A NON-PROFIT ORGANIZATION WHOSE OBJECTIVES ARE:

- To further the knowledge of the planning, design, construction, operation, maintenance, and management of systems for water supply and distribution, collection and treatment of domestic and industrial wastewaters, and solid waste collection, disposal, recycling and utilization;
- To inform the public about those systems and the necessity for highly skilled operating personnel; and
- To promote the certification of operators in these facilities.

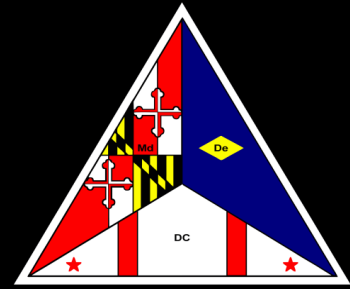

WWOA

Since 1927

WWOA MEMBERSHIP BENEFITS INCLUDE:

ECOLETTER MAGAZINE

All members receive this quarterly newsletter published by WWOA and CWEA.

ANNUAL TRI-ASSOCIATION CONFERENCE

Attend the Annual Conference held in Ocean City, MD with member discount!

Three days of continuing education is provided for certification and recertification and an exhibit hall showcases new and innovative technology.

WWOA provides up to 16 full scholarships to Tri-Con every year to eligible members.

Includes registration and hotel.

WATER AND WASTE OPERATORS SHORT COURSE

This weeklong training provides up to 52 hours of continuing education. WWOA awards up to 16 full scholarships to the Short Course.

COLLEGE SCHOLARSHIP PROGRAM

\$1,000 college scholarships are offered twice a year to WWOA members and their dependents.

Operator competitions are held at Tri-Con, including AWWA Pipe Tapping, Top Ops, Meter Challenge, Hydrant Hysteria, and the WEF Operations Challenge. Winners are eligible to represent the Chesapeake Region at the National Competitions.

AWARDS

Members are eligible for recognition of special achievement through distinguished service and training awards presented at the Annual Conference.

YOUR LOCAL SECTION

WWOA's four sections meet regularly to provide training, facility tours, and networking with other professionals in the field. As a volunteer at the section level, learn about leadership, management and governance with this established organization.
