THE WATER AND WASTE OPERATORS ASSOCIATION OF MARYLAND,
DELAWARE AND DISTRICT OF COLUMBIA

2021 SERVICE AWARDS

Dear WWOA Member:

The CWEA, CSAWWA, and WWOA Tri-Association conference will take place August 31st through September 3rd, 2021, at the Roland E. Powell Convention Center, 4001 Coastal Highway, Ocean City, MD 21842.

At the conference, WWOA presents its Service Awards to outstanding individuals in the Water, Wastewater, and Solid Waste fields. Awardees are presented with a beautiful recognition plaque and a coveted WWOA watch.

While the pandemic has hit our country hard this past year, many of our fellow WWOA members are still going into work each and every day to help protect our environment and many are working far more hours than usual due to Covid-19. Everyone still needs clean water and we still need to remain in compliance with our regulating authorities, so thank you to the WWOA members who make all of this happen.

Safety, permit compliance, and cost control are the priorities in our business. Often, the communities we serve and our employers do not fully recognize the extraordinary contributions we make on their behalf. Recognition from one's peers is among the greatest compliments a person can receive. If you know of a WWOA member who has made significant improvements in facility safety, permit compliance issues, reduced O & M costs, or has gone above and beyond the call of duty to educate coworkers, then WWOA has an award waiting for them.

This is where you come in. Please take a moment to look over the award descriptions and submit a short biography of the deserving associate and a description of the reason you would like to see them receive an award. Nominations are accepted from co-workers, supervisors, and vendors. You do not have to be a WWOA member to submit a nomination; however, you must be a WWOA member to be eligible for an award. Nominations must be received by July 12, 2021 for consideration.

Respectfully,

Kevin Quinn,
Awards Committee Chair
