

THE DUB

CORPORATE MEMBERSHIP PROGRAM

At The Dub KC, we are building more than just a business—we are creating a brand that stands for empowerment, inclusion, and the celebration of women's sports. Our goal is to provide a space where fans can come together to support women's athletics and feel a part of something greater.

As a Corporate Member of The Dub, you are showing your support for a local business that fosters a sense of belonging for everyone, no matter their background. Your employees and customers may find this especially important in the current climate of DEI retraction.

Every interaction, event, and experience at The Dub can bridge gaps, spark important conversations, and create lasting connections among people from all walks of life.
