No. 7A Portable Punch

Medium Duty Portable Punches are for medium punching power (2.5 to 5 tons). They are highly portable and of a size that will fit any tool chest or truck locker. The leverage design of these tools assures easy linear operation.

Unlike other similar tools, this punch will punch and strip inside a 90° arc movement of the lever. And, the upper handle will not disengage when moved to either extreme.

NO. 7A ROLLER BEARING PUNCH

2-1/2 Tons of Punching Power 1/4" Hole thru 1/8" Mild Steel

Furnished with 7/32" punch and die.
No Substitutions on punch and die unless 12 or more tools ordered.
