My favorite adventure this summer was swimming and fishing at Deaver Reservoir. We caught baby fish in plastic bags and let them go. They were so friendly swimming all over us. Everyone was laughing and having a great time. -MT

I love summer when we can go fishing, swimming, and BBQ! However, my favorite time has been going on drives and collecting rocks to paint. -SB

"I really enjoy relaxing in the hot springs pools with the members and all the fishing trips throughout the summer."
