This report is the sole property of the dient named on the Sativa Testing Laboratories, LLC (STL) chain-of-custody (COC). Neither reports nor results will be discussed with or released to any third party without our dient's written permission. Final reports cannot be reproduced, except in full, without written authorization from STL. The information provided in this report applies only to the samples submitted and is relevant only for the date, time, and location of sampling. STL assumes no responsibility for the method of sample procurement or interpretation of results made by others. STL assumes no responsibility for information provided by the client on the COC such as project number, project number, special instructions, sample sollected by name, sample interflications, sample types, or selected analysis type, that may affect the validity of the results in this report. Evaluation reports are based solely on the sample(s) in the condition in which they arrived at the laboratory and on the information provided by the client on the COC. All quality control results are acceptable unless otherwise noted. STL does not make contamination corrections to reports based upon analysis of laboratory and/or field blanks. All samples are disposed of after 60 days unless otherwise requested by the dient. Sativa is accredited by AlHA-LAP, LLC in the Unique Scopes program. Refer to our accreditation certificate at www.alhaaccreditedlabs.org for an up to date list of the Fields of Testing for which we are accredited. This report does not constitute endorsement by AlHA-LAP, LLC or any other U.S. governmental agencies; and may not be certified by every local, state, and federal regulatory agency.
