### Ages and prices

At 16 Teeth, we cater to diverse needs with a wide range of products, spanning from basic coverage to premium options. Our offerings ensure that everyone can access the level of dental protection they need. Whether you're seeking essential preventive care or comprehensive premium coverage, we believe in making quality dental care accessible to everyone. Our affordable plans start from as little as 170 AED per month, ensuring that you can prioritize your oral health without financial strain. Even with our basic coverage, you'll have access to essential preventive services, laying the foundation for a healthy smile. As you explore our premium options, experience comprehensive coverage and advanced treatments tailored to your needs. Join us in making dental care affordable and personalized for all, because at 16 Teeth, your smile matters

### Our vision

At 16 Teeth, our unwavering vision is to create a world where everyone has seamless access to robust dental coverage, offering a shield of protection for individuals and families globally. We understand the importance of restful nights, and that's why we go beyond traditional dental care.

Our meticulously crafted plans encompass preventive measures, advanced treatments, and personalized solutions.

With 16 Teeth, you can sleep easy, knowing that your dental health is safeguarded, and your smile is in the hands of experts committed to your well-being.

Our mission.

At 16 Teeth, our mission is clear: to provide comprehensive dental care for individuals of all ages and budgets. We are dedicated to making quality oral health accessible to everyone, offering a range of affordable and tailored plans. From preventive measures to advanced treatments, our commitment is to ensure that every smile receives the care it deserves. Join us in promoting dental wellness for all, because at 16 Teeth, your oral health is our priority, regardless of age or budget.
