Hi Judy,

We have a huge council meeting tomorrow night, as well as a pretty hefty BOS meeting. I will try to get this to you but it may have to be Wednesday.

Dear Mayor & Councilmembers:

Please reply to this email to let us know if you plan to attend the League of CA Cities' City Leaders Summit in Sacramento, Wednesday, April 23- Friday, April 25.

All are welcome but I believe Mayor Negrete is the appointed delegate. MPT Torosis is alternate and CM Zernitskaya is the WSCCOG's appointee to Cal Cities' Los Angeles Region Board. I would recommend these three attend if schedules permit.

The City Leaders Summit offers opportunities for city leaders from across the state to influence policy decisions in the Capitol and gain top-notch leadership skills. City officials can meet with legislators to advocate for cities' top priorities and participate in peer-to-peer discussions and in-depth sessions covering topics ranging from leadership to emerging issues facing cities.

Registration is \$650 plus hotel and airfare. (the sooner you let us know you want to attend, the lower the cost of flights and hotel rooms)

Hi Leslie,

Yes.

From the emergency order:

2. Parking regulations are hereby modified to allow residents to obtain 30 day Temporary Preferential parking permits or 30 day Overnight Beach Residents & Guests permits (excluding the Central Zone and for beach zone residents only) for up to two vehicles (per residential address) for persons displaced by the Regional Fires residing with them for the duration of the declared emergency. At the end of the 30 day period, the permit can be renewed for an additional 30 days if the declared emergency is still in place.

Will remain in effect until amended by Council or the Emergency Order is repealed.

Thanks,
Dan
