STREET PARKING

We would like to remind all residents of the association street parking guidelines. See the article below from the HOA Restrictions:

“Each residence was constructed with a 2 car garage, including a driveway capable of accommodating 2 cars. Resident parking on the street, lot or common areas is prohibited. Temporary street parking for social events is acceptable.”

LANDSCAPING TIPS

With the recent heat and drought conditions, it is important that homeowners are keeping up with their lawn and landscaping maintenance. Below are some ways you can keep your home looking fresh and healthy this season:

- Regularly water plants/grass
- Add new mulch
- Install seasonal color
- Pull weeds
- Trim shrubbery
- Remove dead plants
- Regularly mow lawn
