The image features a top-down view of a plate of injera, a traditional Ethiopian flatbread. The injera is cut into several irregular, roughly square pieces that are stacked and arranged on a dark-colored plate with a subtle, light-colored floral or geometric pattern. The entire scene is set against a solid, vibrant red background. In the upper right corner, there is a blurred, out-of-focus image of what appears to be a bowl or a similar dish, also containing injera. The text 'BIKA JJI' is centered horizontally and vertically over the main plate of injera in a clean, white, sans-serif font.

A person is captured in a starting crouch on a running track. The image is heavily filtered with a blue color, giving it a cool, monochromatic appearance. The person's hands are flat on the track surface, and their feet are in a ready position. A black wristband is visible on the left wrist. The background shows a blurred urban setting with buildings.
