OUTRIGHT
VERMONT

Outright Vermont is building a
Vermont where all LGBTQ+ youth
have hope, equity, and power.

Outright Vermont is a 501(c)(3) non-profit under federal and state regulations. Since 1989, we have been building hope, equity, and power with LGBTQ+ youth in Vermont. Founded by a small group of queer adults, after a national survey discovered that queer youth were dramatically at higher risks of suicide than their heterosexual peers, Outright Vermont has built up programming that now includes queer youth spaces, education & outreach work statewide, and annual log scale events for queer youth & the larger queer community.
