## General Entry Requirements for Diploma Programs

Thank you for your interest in Caroline School of Legal Studies. Our diploma programs are designed to provide students with a comprehensive education in the academic field of their choice and prepare them for successful careers for the professional voyage they intend to embark upon. To ensure that our students have the necessary foundation to excel in our programs, we have established the following general entry requirements:

### Academic Qualifications:

**High School Diploma or Equivalent:** Applicants must have successfully completed their high school education or possess an equivalent qualification from a recognized institution.

**Academic Performance:** A competitive academic record is expected. Applicants should have a strong academic background with a demonstrated ability to succeed in their previous studies.

### Language Proficiency:

**Language Requirements:** Basic understanding of the English language or Carolean Foundation Certification is essential for successful participation in our diploma programs. Applicants can submit standardized test scores, such as [TOEFL / IELTS / DELF], to demonstrate their language proficiency if their primary language of instruction was not in the specified language.

### Application Materials:

**Application Form:** All applicants are required to complete and submit the official application form provided by Caroline School of Legal Studies.

**Transcripts and Certificates:** Applicants must provide official transcripts or certificates from all educational institutions attended after high school.

**Letters of Recommendation:** Applicants may be asked to provide letters of recommendation from teachers, professors, or professionals who can attest to their academic abilities and potential.

## Additional Requirements:

**Personal Statement or Essay:** Some programs may require applicants to submit a personal statement or essay explaining their motivation for pursuing the diploma program and their career aspirations.

**Interview:** In some cases, applicants may be invited for an interview as part of the selection process.

## Note:

- Meeting the minimum entry requirements does not guarantee admission to the program, as the selection process is competitive.
- Specific diploma programs may have additional requirements tailored to their unique focus and content.
