ABOUT AMERICAN CLASSICAL CHARTER ACADEMY

Welcome

Welcome to American Classical Academy! We are honored and humbled to be a part of your education. ACCA staff members are dedicated to the mission of educating children in the liberal arts; knowledge and virtue prepare the mind for whatever challenges life presents.

Our teachers are trained in the classical education model, prepared to use traditional teaching methods to reach the mind of every child. High standards, strong moral character, and a willingness to work hard are seeds for success in all aspects of life.

Our school fosters the pursuit of truth, beauty, and goodness. We believe the classical model gives students a well-trained mind, which is the best way to prepare students to become exceptional American citizens. We look forward to partnering with you!

Pillars of Virtue

Cooperation

We work with others for the good of all involved with a positive attitude. We equitably participate in mutual responsibilities for the completion of shared ends and direct our efforts and attention accordingly.

Courage

We always do what we know to be right despite fear, hardship, and opposition. We resist negative peer pressure, defend our rights and the rights of others, and encourage others to do the same.

Humility

We recognize that everyone has worth and that no one person is better than another. Acts of selflessness demonstrate our regard for others and take precedence over acts of pride. A humble person is a teachable, sincere, and thankful person.

Perseverance

We spurn despair and strive to complete tasks to the best of our abilities, regardless of the difficulty. We respond creatively to overcome obstacles and ask for help when necessary.

Honesty

We never knowingly induce another to believe what is false. We are always truthful in what we say and do, regardless of the circumstances or consequences.

Integrity

We are individuals of strong ethical values, who make consistently good choices in keeping with our knowledge of right and wrong. We seek the wisdom of others in cases of moral uncertainty.

Respect

We regard others and ourselves as deserving of kind and just treatment. Our conduct is considerate and polite. We look for the good in others and demonstrate compassion. Our attitude toward others and their property reflects the way we wish to be treated.

Responsibility

We accept obligations related to our own good and the good of others, and we act on those obligations in a manner suitable to their timely and satisfactory fulfillment. We are willingly accountable for what we do and say, and we seek to learn from our mistakes.

ACADEMICS

Homework

Our purpose in assigning homework is to accomplish three things:

1. To provide additional practice to improve students' performance and retention.
2. To develop responsibility in students.
3. To prepare students for upcoming classes.

Every grade level has a homework policy. In general, homework will be assigned each school day and most weekends except holidays. The maximum expected homework time allotment for each grade is listed below. This may vary from day to day, and times listed are intended for the average student and may not apply to every student. Some students may need more time and some may need less.

- Kindergarten 10 minutes (could just be reading with your child)
- Grade 1 10 minutes (does not include additional reading time)
- Grade 2 20 minutes
- Grade 3 30 minutes
- Grade 4 40 minutes
- Grade 5 50 minutes
- Grade 6 60 minutes

We always encourage additional time reading for pleasure, especially as a family.

Teachers may notify parents concerning the homework expectations for their individual class. The following suggestions may be helpful to you and your child:

- Your attitude will directly affect that of your child. Be excited about the learning process.
- Establish a set time and a quiet place for homework without distractions such as phones, video games, or televisions.
- We suggest that a child be allowed a break when he/she first gets home. After the break, but before dinner, is often a suitable time for homework.
- Provide support when needed, but expect your child to complete the homework independently.
- Be sure the work is completed and immediately returned to a designated place where it will be remembered the next morning (e.g. the backpack).

Progress Reports/Report Cards

Report cards are sent home approximately every nine weeks. Please see the school calendar for specific dates.

Parents will also have the ability to monitor grades through our online Gradebook platform.

Although teachers are expected to communicate with parents when their child is struggling, parents should let their child's teacher know if they have a concern. Quality communication is a two-way street. Students are to return signed report card envelopes the following school day.

The letter and numerical grades for this system are listed below:

A	93-100%	C	73-76
A-	90-92	C-	70-72
B+	87-89	D+	67-69
B	83-86	D	63-66
B-	80-82	D-	60-62
C+	77-79	F	0-59

Kindergarten and 1st grade variation: A, B, C or Needs Improvement

All grades levels K-6 use the following scales for P.E., Music, Art, and Technology:

"S" (satisfactory), "N" (needs improvement), or "U" (unsatisfactory)

Requests for Teacher Placement

A challenge all schools face each year is creating well-balanced classrooms for children. As always, it is our goal to provide your child with a positive classroom experience. Unless there are exceptional circumstances, we do not encourage requests for students' placement with specific teachers.

School Supplies

Parents purchasing supplies for their children has proven to be burdensome and expensive. Student supplies are therefore purchased by the school each year. Parents are asked to make a \$50 minimum donation per child to cover the cost. This ensures that the students have the proper supplies, classroom distractions are minimized, and the school has consistency throughout classes and grade levels.

Lost Books

Students will be charged for lost or damaged books. Non-payment will result in withholding of your child's report card, loss of online Gradebook access, and/or loss of participation in field trips, extra-curricular activities, and sports.

ACCA PROCEDURES

Attendance

Punctuality is important for academic success. Parents/guardians are responsible for their child's attendance.

When your child is absent, please notify the front at before 7:30 AM.

A note stating the reason for absence does not excuse the absence unless it is from your child's doctor.

All communication, including emails, doctor's notes, parent notes, and phone calls about student absences should be submitted to the front desk and **not** the teacher.

Excused Absences

1. An illness of the student documented by a doctor's statement or a documented medical/dental appointment.
2. Brief illness, appointments, and family business are considered absences for purposes of meeting attendance policy requirements. Absences must be documented by written communication from parents and may or may not be considered excused absences at the Principal's discretion.
3. An observance of an established religious holiday or for pre-arranged religious instruction.
4. A court subpoena, a required court appearance, or placement in detention at a juvenile center in which the student continues his/her education.

Unexcused Absences

Unexcused absences shall include, but not be limited to out-of-school suspensions, truancy, class cuts, vacations, and three tardies of 1 hour or more or six tardies of less than 1 hour.

Consequences

Any child with five (5) unexcused absences in 30 calendar days or ten (10) in a semester (half-school year) shall be reported to the District Truancy Court. If 15 days out of 90 days are missed, it shall be reported to the District Truancy Court. Loss of course credit may also be applied.

Makeup Work

Students are to be provided one (1) school day for each school day absent to make-up work missed without academic penalty. It is the responsibility of the student to arrange for such makeup work. Work not made up within the specified time period will receive a grade of "F". The Principal may extend the time for makeup work when in his or her judgment extenuating circumstances justify such extension. However, long-term assignments given before the student is absent are expected to be turned in on the date the student returns to school. These provisions shall apply to all grade levels.

Work may be picked up in the office if requested by the parent one day in advance of pick-up.

Tardy Policies

It is extremely important that your child be in the classroom on time. The teachers give directions and organizational activities and missing these may be a detriment for the duration of the day. Also, the official school day begins with recitation of the Pledge of Allegiance and Preamble to the U.S. Constitution.

It is equally important that students remain at school for the entire day, avoiding early dismissals for all but emergency reasons. A child who is late to class or dismissed early is at a serious disadvantage, loses precious organizational and instructional time, and causes disruption to the instructional program of the other children.

A student is considered tardy when he or she enters the building after 8:00 AM. It is required that the school be notified in advance of such tardies by the student's parent, stating the reason for the tardiness or early dismissal.

Arrival and Dismissal Policies

Arrival Procedures / Morning Drop Off

No students are to be on campus prior to 7:30 AM without authorization. Students will assemble in the Cafeteria to be dismissed to classrooms at 7:45.

MORNING DROP OFF PROCEDURE – ALL GRADES – 7:30am to 7:55am

The morning drop off routes are the same as the afternoon pickup routes.

- Follow the rules in terms of exiting quickly and safely;
 - refrain from cutting in line
 - always drive in the direction a staff member or volunteer gives you
 - refrain from making unnecessary U-turns.

- Please consider getting here earlier rather than later.

- Consider volunteering to assist with morning carline yourself. It's actually quite pleasant!

Dismissal Procedures / Picking up Through Front Office

Changes in dismissal times or transportation must be made before 1:30 PM daily to allow teachers time to prepare homework or other materials for the child to take with them. Please email the front desk and the homeroom teacher.

For early dismissal, students will not be called down to the office until parents arrive in the front office. Please remember all children must be signed out through the office for your child's safety.

There is no authorized early dismissal after 2:30 PM unless it is an emergency approved by the principal. Otherwise, after that time, parents will need to wait for the regular dismissal.

To ensure the safety of your children, please honor the following guidelines:

1. Cars must be parked in a parking space; do not park in the drop off/pick-up area.
2. Cars should never be left running when the driver is not in the car.
3. Parents should report to the front office to have the receptionist call down to the classroom for your child for any dismissals.

For the safety of our children, all visitors are required to sign in and show valid U.S. Government issued ID at our front office.

Walkers

For safety reasons, students are not permitted to leave the school by walking. Students may only leave campus by scheduled bus, carline, or parent pickup from the front office.

Afternoon Carline and Late Pickup Fees

For the safety of our students and staff, it is very important that everyone follows the established arrival and dismissal procedures.

Vehicles are not to line up prior to 3:15 PM for the 3:30 PM carline.

1. Have the mandatory ACCA issued carline sign with your child's name and teacher prominently displayed in the front window. Keep using the sign all year to allow for quick recognition and calling of the students.
2. Keep the carline sign on the dash until you have your children in the car. This helps the teachers with loading students in the cars.
3. If you do not have the official ACCA carline sign, you will be redirected to the front office to pick up your child there after showing your identification. This is for the safety and security of your child. The front office can also make an additional or replacement carline signs at your request. Please allow a day for printing.

4. Pull all the way forward in the pickup area. Children will be called by name and directed to meet you at the designated area.
5. **Do not** get out of your car. Your child will be escorted to your car. Students must wait for a staff member before moving toward the car.
6. Cars must be **put in park** while children are unloaded or loaded.
7. Students must be picked up in carline by 3:50 pm. Failure to pick up your child(ren) by this time will result in a charge of \$1.00 per minute per child.

**For the safety of the children, please keep your
cellphone put away during carline.**

After School Clubs and Sports

ACCA will provide a number of options for students after school. These options are TBD (To Be Determined) by August 2019.

Students that are signed up for clubs are permitted to stay on school property after dismissal until the club start time. Siblings, friends, or car-poolers who are not participating in clubs are not permitted to stay and must be picked up during regular dismissal. Late dismissal fees will apply.

When clubs dismiss at 4:15 pm, follow the carline route to the assigned pickup points. Please display your carline sign prominently on the dashboard of your vehicle.

Communication

Communication is an essential part of any successful organization. Effective, quality communication helps ensure parents, students and other community members are well-informed.

We provide clear and timely information by way of:

- the ACCA school website
- this ACCA Handbook
- weekly newsletters
- Friday folders
- Principal's Perspectives
- parent-teacher conferences
- other teacher communication including email, notes, and phone calls
- regular emailed messages from the school
- ACCA Community Facebook page
- access to online Gradebook

Conferences

Our teachers view parent-teacher conferences as an important part of the school program, and an individual conference with a teacher may be scheduled if needed beyond regular communications. We want to work with you to solve any problems which may be affecting your child's education.

Parent-teacher conferences are scheduled once per year at the end of the first quarter. A second conference may be scheduled at the principal's discretion. As it is important to have a frank conversation between the parents and the teachers, students are not included during this conference time.

Parents are not permitted to "drop in" to see a teacher before or after school without an appointment. The teacher's entire day is carefully scheduled to permit instruction, preparation for class work, team meetings, and so on. To ensure proper communication, we ask that you follow a few simple guidelines.

- Send a note or an email to the teacher.
- Please note: teachers are not permitted to conduct conferences or accept calls during instructional time with students.
- Parents should not address concerns about students in the presence of children, including their own.
- Friday Folders, a weekly communication packet, will be sent home each week in the elementary school. Parents are expected to sign and return the folder Monday morning.

Electronic Communication

The ACCA electronic communications systems and computers/laptops are the property of the ACCA School Board. ACCA reserves the right to monitor and disclose all electronic communications activities of any employee, student, or other user. This includes sent and received e-mail messages, web sites visited, and files stored. There are no personal privacy rights in the use of these systems.

Student access to electronic communications systems will be permitted only when access is an integral component of a specific educational program or authorized by the Principal or his/her designee. Filters are installed to attempt to restrict access to Internet sites that are sexually oriented or otherwise objectionable. However, filters alone will not eliminate all possibility of access. Ultimately, each individual is responsible for his/her own conduct.

In all cases, student and employee use of the ACCA Internet Service, email, computer systems and software, networks, or similar technology are governed by ACCA School Board Policy. Access to these electronic communications systems is provided solely for educational and operational purposes. All other use is prohibited.

Discriminatory, harassing, slanderous and offensive materials and messages are considered cyberstalking and bullying. This applies not only to messages sent on school computers but also material, messages and images sent by personal computers, texts and images sent via cellphone. Such action is strictly prohibited.

Abuse of electronic communications systems or failure to adhere to this policy will subject the user to disciplinary action, including denial of ACCA electronic communications systems.

Phones and Other Personal Electronic Devices

Electronic devices, including cellphones, may not be brought to school.

Electronic devices include but are not limited to cellphones, computers, pagers, portable game units, and other mechanisms that enable users to communicate electronically person-to-person or through internet social networking sites such as Facebook, Twitter, Instagram, and so on.

We highly recommend that parents read the book “The Shallows: What the Internet is Doing to Our Brains”, by Nicholas Carr.

The student may be disciplined for inappropriate content stored on electronic devices brought to school, school functions, or on a school vehicle.

Failure to follow rules for cell phones/electronic devices will result in loss of privileges and/or disciplinary action. Loss/or theft of personal items at school or on the bus is not the responsibility of the school.

Photos and Videos

American Classical Charter Academy staff, faculty, and volunteers regularly take photographs and record video and audio for official use on its website, its Facebook page, the yearbook, and other promotional materials in various media. Parents who prefer not to have their children featured as such are required to complete the required denial of release form available through the front office.

An absence of this form will be presumed to be consent to have photographs, video, and audio recorded and used by ACCA as described above.

According to Florida Law, the use of electronic devices while at school or on buses to record sound or visual images without the consent of the person being recorded or photographed is strictly prohibited.

Staff, faculty, parents, and volunteers should not photograph or video students for their personal use or to post on social media. Numerous parents have requested that their children not have an internet or other media presence.

Parent and Community Involvement

Parent School Partnership

ACCA is proud of the relationship we have with our parents, community partners, and local businesses.

Parents who choose to join our school are active partners with ACCA in developing well-rounded and successful citizens who abide by our eight Pillars of Virtue. The following responsibilities need to be supported by a partnership between the parents and the school.

See our website for information regarding how to register and complete requirements for ACCA volunteering. Opportunities may include working the morning carline, copy room, supply room, cafeteria, cleaning, field trips, and multiple events throughout the school year.

All volunteers must have Level II volunteer clearance and complete the ACCA Volunteer Training Program managed by the principal.

VISITORS AND VOLUNTEERS

*ALL VISITORS COMING ON CAMPUS DURING THE SCHOOL DAY MUST
PRESENT A VALID U.S. GOVERNMENT ISSUED PHOTO ID*

Between 7:30 AM to 3:30 PM, visitors to the campus must check in and out at the front office and present a valid U.S. government issued photo ID in order to gain admittance through our FastPass security system. All visitors are required wear their visitor identification while on school grounds.

THIS PROCEDURE WILL BE STRICTLY ENFORCED

School Discipline

Consequences of behavioral infractions may result in detentions, Pink Slip referrals, before-school detentions, and/or suspension at the discretion of the principal. Failure of students and/or parents to abide by this code, including following through on assigned consequences and/or demonstrating lack of respect for teachers and administration, may result in losing automatic enrollment for the next academic school year.

Pink Slip referrals are issued for major discipline infractions or an accumulation of lesser infractions. Major infractions are addressed by administrators rather than teachers. The following list shows the progression of consequences with each added Pink Slip.

1. Student removed from class, sees administrator.
2. Student removed from class, sees administrator, calls home.
3. Student removed from class, sees administrator, calls home, leaves that day, and may not return without parent attending school for the entire day.
4. Student removed from class, sees administrator, calls home, must attend 10 hours of morning detention* – 5 consecutive days, 2 hours each day.

* Detentions are held in the morning because administrators are available during that time. Through experience we have found that afternoon detentions are much less effective since administrators are typically unable to be present and involved.

Student Dress Code

A strong correlation exists between student appearance and the perception of excellence. **American Classical Charter Academy** students are required to dress and groom themselves in a way that aligns with our philosophy of maintaining a learning environment focused on the development of each student's academic potential, personal character and leadership skills.

Our uniform policy and dress code foster an atmosphere in which the **Eight Pillars of Character** can thrive: **Cooperation, Courage, Honesty, Humility, Integrity, Perseverance, Respect and Responsibility**. Daily reinforcement of strong personal habits promotes courtesy, the honor of self and others, modesty, and discipline. Adherence to the code diminishes economic and social barriers between students; increases a sense of belonging and school pride; encourages good judgment; models good citizenship and encourages all to perform at their highest level.

All **American Classical Charter Academy** students are expected to be in school uniform during school hours and during all school activities and events unless otherwise specified. Attire which attracts undue or negative attention or which infringes on the rights or values of others is not considered to be in the spirit of the dress code not only for students, but also for staff and parents visiting the campus. Attire is expected to be clean, in good condition, business-like, and properly sized to fit. The **American Classical Charter Academy** school crest will be visible at all times. Students are allowed to wear their Full-Dress Uniform on *any day of the week*, if preferred. However, elements from Full-Dress and Everyday Uniforms cannot be interchanged and Everyday Uniforms cannot be worn on Full-Dress Days. Every Friday is Full-Dress Uniform Day. At the Principal's discretion, other Full-Dress Uniform Days may be announced.

By signing the registration documents, students, staff, parents, and volunteers agree to abide by the policy and remain dedicated to interacting with one another as ladies and gentlemen. In doing so, we are choosing to be actively engaged in the safe and secure, nurturing environment of this exceptional learning community. Students not adhering to the uniform policy may not attend class. Repeated violations may result in consequences determined by the Principal.

Any medical or religious concerns or limitations that might preclude meeting the uniform guidelines should be addressed with the School Principal to determine if reasonable accommodations are necessary.

The uniform guidelines at **American Classical Charter Academy** are not meant to be financially prohibitive for any student's ability to attend our school. Families that qualify for the free or reduced lunch program may also request assistance with uniform requirements. Assistance will be handled confidentially by contacting the School Principal.

Lost and Found

Please be sure your child's name is on all clothing, backpacks, and lunchboxes.

Visit the Lost and Found at the ACCA Reception Desk for missing items. Items not claimed within a reasonable period of time will be donated to charity.

Ordering American Classical Charter Academy Uniforms

Backpacks, Book Bags and Totes

For safety and space reasons, ***wheeled backpacks are not permitted.***

Backpacks are expected to be clean, in good condition and appropriate for a school environment. Any item which attracts undue or negative attention or which infringes on the rights or values of others will not be allowed.

Spirit Wear

Spirit Wear is not part of the school uniform, but can be worn outside of school to show support for the school. Volunteers will often wear Spirit Wear when serving at the school. Spirit Wear can be purchased by parents and supporters of ACCA through **Lands' End** website. Tote bags, beach towels, baseball caps and other garments and spirit items are available.

ACCA Crest Embroidery

If students would like to purchase items with the ACCA crest embroidered, it must be purchased through the ACCA Spirit Wear section of **Lands' End** Uniforms. Individual monograms can be embroidered on **Lands' End** backpacks by calling customer service at 1-800-469-2222.

Volunteers Dress Policy

Whereas this is a school environment, volunteer attire is expected to be safe, modest, and not distracting to students and staff. Guidelines for students' garment lengths are to be followed by volunteers.

Health and Safety

Medication

If a child needs medication, every attempt should be made to have them take it at home. Medication needing to be taken three times a day should be given in the morning at home, when the child arrives home from school, and before bedtime.

Whenever it is necessary to administer medication during school hours, the following guidelines apply:

- Medication must be dropped off and picked up in the clinic by the parent. Students may not transport any medication.
- All medications must be in the original container with dosing information and complete instructions.
- Medication must be appropriate for the child's weight and age.
- Each medication must be accompanied by a separate signed medication authorization form.
- Prescription medication must include a medical authorization form signed by the prescribing physician.
- All medications must be stored in the clinic. (The exception to this is emergency medication that requires a physician's written "self-carry" order.)
- It is the student's responsibility to come to the clinic at the appropriate time for a required medication.

The school will supply no medications including aspirin, Tylenol, cough drops, antibiotic ointment, or hydrocortisone. These items fall under the rules of medication and, if desired, must be provided by the parent with a signed medical authorization form.

Use of crutches, walkers, or wheelchairs requires a medical authorization form signed by the physician.

Medical authorization forms are located in our clinic.

For more information on student health issues, contact the front office.

Communicable Illness

Children with any evidence of a communicable disease must stay out of school until there is no danger of infections to other children. If all visible signs have disappeared, the child may return. In case of illness such as chicken pox, where the lesions remain visible after the contagious stage, it may be necessary to have a physician certify that it is permissible for the child to return.

Fevers

The normal body temperature for a healthy child is 98°F. If you suspect your child has a fever, always use a thermometer. Never try to guess by feeling their forehead.

Before returning to school, children should be fever free for at least 24 hours without any fever-reducing medication. Children at school who develop a fever 100°F or higher will be sent home and should not return to school the next day.

Head Lice

Mandatory attendance laws require all children to be in school. It is expected that if your child has been sent home with lice and/or nits, he/she will be treated and will return lice-free the next school day. A parent must accompany the child upon return to school. Before readmission, your child will be checked by a staff member for lice. Staff members will also re-check your child periodically to ensure treatment was effective and no lice and/or nits are present.

Normally we will not send class/school-wide notifications home about head lice unless 10% or more of a particular classroom is infected.

Nutrition Services

Due to the lack of cafeteria space, parents are not permitted to visit their children during lunch and recess unless they are on campus for the purposes of volunteering and have signed up through the website for that day. Parents who are volunteering, however, are reminded to fulfill their volunteer duties rather than simply enjoying a lunch with their child.

Snacks and Parties

There will be an opportunity for a brief classroom party, at the discretion of the teacher, on the last day of school. Otherwise, parties at school are not permitted as this interferes with instructional time.

Do not send or bring anything to the school, including treats, to celebrate birthdays or holidays. These should be celebrated at home with family and friends.

Smoke and Tobacco Free Environment Policy

The American Classical Charter Academy building is smoke and tobacco free in order to protect the health, safety and welfare of students, staff and visitors. This includes all interior and exterior spaces within the property boundaries.

For purposes of this policy, “smoke free” shall mean the smoking of any substance, including “vapor” devices. “Tobacco” shall include the use of tobacco, including, but not limited to, cigars, cigarettes, pipes, chewing tobacco, snuff, or any other matter or substances that contain tobacco in addition to papers used to roll cigarettes.

Violations of this policy by members of the public who fail to cooperate will result in their removal from the property and a report to the Florida Department of Health. Violation of this policy by any student or school employee shall result in appropriate disciplinary action.
