A detailed black and white illustration of a vintage tea set. The central focus is a large, ornate teacup and saucer set, both decorated with a large rose and floral motifs. The teacup has a scalloped rim and a decorative band near the top. The saucer is wide and shallow, also featuring floral patterns. In the background, there is a teapot with a floral design, another teacup on a saucer, and a birdcage. The entire scene is set on a lace doily. The background is filled with a repeating pattern of roses and leaves. The illustration is framed by a decorative border with floral and scrollwork elements.
