Zinc

Festive Tea Light Shades

These are so simple to make and are ideal for customized gifts! Grab a few inexpensive White Wine Glasses and some Water Colour Paper and give them a try!!

This fun project is a delightful gift, fill the glass with Candy, and an electric tea light wrapped in clear wrap and some large flakey glitter. Cap the glass with one of these fun shades and Give as a cheery gift for friends or family.

The Holly Shade:

1

Cut the Shade out of water-colour paper or Bristol board.

2

Trace your choice of design onto the shade

3

Paint, Stencil, decoupage your shade to suit you!

“The Holly Shade”

Base coat the Holly Leaves with Jade Green; Shade the centre vein with a float of thinned Thicket. Highlight the leaves with a float of Margarita.

Base coat the berries with Country Red, Shade the bottom of the berries with a float of thinned Lamp Black. Highlight the berries with a float of Warm White. Add a dot of Warm White for the final highlight.

Use a Gold Pen or Gold Paint to add a scroll detail to the design. Let it dry.

Trim the bottom of the shade with pinking shears or edging scissors to create a fanciful detail at the edge.

“The Buffalo Check”

Base the shade either Warm White Or Lamp Black. Let it dry. Base the opposite side with 2 coats of 24 Kt Gold. Let each coat dry before reapplying.

Use the Buffalo Check Stencil and Warm White to create the pattern.. Let the paint dry then paint on a narrow border along the top and bottom of the Shade. Apply a thin wash of heavily thinned Zinc over the shade. Let dry.

Assemble by cutting a slot on the line on the one side and insert the tab into it. Glue or tape it in place.

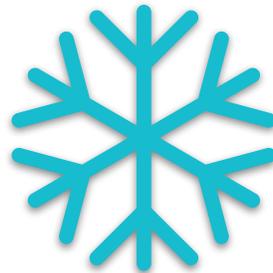

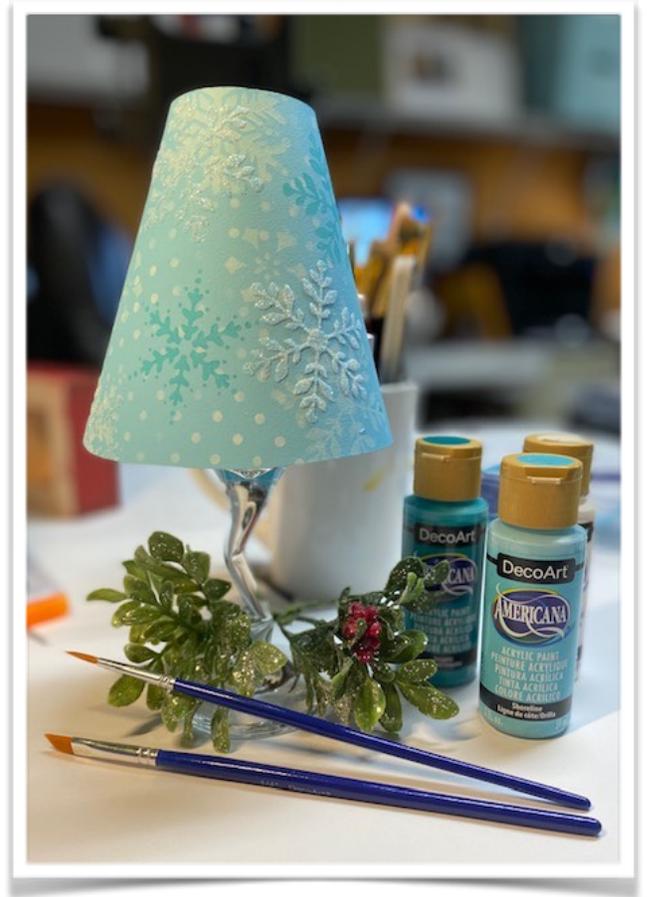

“ Snowflake Shade ”

Base the shade with Whispering Turquoise. Let it dry. Stencil the surface with the 1/8 Polka Dot stencil with Warm White. Stencil a few Snowflakes First with Warm White, then again with Baby Blue, Add another layer allowing the snow flakes to over lap, using Bahama Blue.

Add dimensional Snowflake by apply Heavy Gel over the Snowflake stencil (choose just one or two). Remove the stencil. Sprinkle with Glitter or Glamour Dust. Let it dry. Shake to remove excess glitter.

Assemble by cutting a slot on the line on the one side and insert the tab into it. Glue or tape it in place.
