

Give Thanks

This is a Fast and Fun piece to tuck into your Thanks Giving décor! A bright splash of color to remind us of what we have, to be grateful for!

The background:

Base coat the surface with lamp Black. When dry, apply the checker-board stencils using bahama Blue and Spiced Pumpkin, on alternating squares. . When dry, lightly distress with sandpaper.

The Pumpkin:

Base the Pumpkin with Burnt Orange, Highlight with Spiced Pumpkin and a dry brush of warm White on the Left side. Shade the Pumpkin with Asphaltum and Soft Black

The Leaves:

Base the leaves and vines with Antique Green, Shade with Asphaltum and highlight them with margarita, and a touch of Bahama Blue.

The Lettering:

Use lamp Black and the rigger to paint in the letters, highlight them with a thin line of Warm White.

Finishing up

Shade around the Pumpkin with several floats of Soft Black and lamp Black
