

## Challenge #5

This challenge is all about Adding interest! The Shapes in these two designs are pretty simple.. What they Need.. is something to make them special!!

Use your imagination, whatever tools and tricks you may have at hand to create something special and most importantly.. INTERESTING!!

You may use Any colour palette you like, you may use any surface you like and you may use any combination of mediums you like!

Feel Free to rearrange the elements if you choose!!

You have been proving yourselves to be imaginative and original... be FEARLESS. Trust your instinct! Above all .... Have fun with this!!!
