

## Random Act Of Kindness (All Year Long)

You have received this small gift, for no other reason than being who you are.

You are deserving of a little kindness. The only thing required of you .. is to perform a random act of kindness yourself. It can be anything from paying for someones coffee, holding a door with a smile, or giving them a small gift! what ever your choice, kindness has a way of travelling.

Print these cards on Card Stock,  
Cut them out and pin your RACK  
Pins to them.

I use a hole punch to make it easier.  
Space the holes to accommodate  
the pin size.
