RTO Administration & Award Processing Service for Cert II, III, IV & Diploma (This portion of the fees includes the award processing fees paid to the RTO – ‘Universal Education & Training’, plus compliance admin conducted by Homeward.)	In years 10-12, your student can round off their education and gain credit towards a graduation award by presenting their work samples and evidence of skills and knowledge for assessment. This is a pathway to careers and university entrance. Best to contact us one year before needed so we can check your student is on the right path.				✓
Postal Library Service (all lesson-plans, text-books, literature, DVDs, Activity kits, etc.) (\$500 per year per family, to rent up to \$2000 worth of books & resources per year)	Note: parents may choose to rent their books from our Postal Library or purchase new books directly from other suppliers. Rental is \$500 for all the books & resources in the plan.				
Consultation via phone or Zoom for non-enrolled enquiry/advice – (\$60 per hour)	After t1st free consultation, further consultations are charged at \$60 per hour for non-enrolled parents. Book an appointment online at our ‘Fees’ page of the website hesupport.com				
Optional Document Preparation for Government Registration (\$400 per student per year)	Allow us to take the stress out of government registration by assisting you with preparing documents and plans to present to Education Departments or Board of Studies in each State.				
Legal Advocacy Service & Document Preparation (\$80 per hour)	Providing assistance to liaise with government departments
