

Building Awareness, Building Pathways

Building CommUnity

MULTICULTURAL TEAM-BUILDING SERVICES

Building CommUnity LLC strengthens multicultural, multiracial, multi-generational and diverse gender relationships for the purpose of building healthier, more productive, and thriving working environments in which *people of all backgrounds feel a sense of belonging*.

Building CommUnity's layered approach integrates restorative practices emphasizing *building awareness, pathways and community* with the goal of strengthening relationships. This approach underscores our *shared humanity and values* such as kindness, mutual respect and compassion, and fosters a more inclusive and supportive environment where individuals feel heard, understood, and empowered to make positive changes.
