

## Aftenro Alzheimer's and Dementia Training

Family and Friends,

The staff in all departments receive specialized training in Alzheimer's Disease, dementia and or related disorders. The departments are nursing, dietary, social services, therapeutic recreation, housekeeping, laundry, maintenance, wellness and administration. The training is provided at orientation after hire, annually thereafter and as determined needed.

Our training includes an explanation of Alzheimer's disease and related disorders; assistance with activities of daily living; problem solving with challenging behaviors and communication skills.

For more information about each course curriculum and course objectives, please contact our Assistant Director of Nursing who is also our nurse educator at 218-728-6605.
