

PASHA ARTS gives respect to the contribution of Grandmaster Dickerson's teachers and mentors—Grandmasters Ameer, Earley Kelley, Carl G. Beaman, Ja'mes Bethel, and boxing trainer Gordon "Bro. Flash" Dickerson.

We give thanks to his wife Grandmaster Wanda Dickerson, as well as his brothers, Grandmasters George and Warren Dickerson who have been training since 1968, also our eldest Grandmaster Black Belt Walter "Mudada" Drummond.

Our Martial Arts disciplines and instructions of learning and teaching consist of Japanese, Burmese, Chinese Kenpo, Boxing, Kick-Boxing and Korean Martial Arts. In this unique system (style), you will learn Katas or Forms and other techniques from the great Martial Art style called Kyokushinkai, founded by Masutatsu Mas Oyama. You will also learn forms and techniques from the great styles of Shotokan, founded by Gichin Funakoshi and Bando, which was introduced to the United States of America by Dr. Maung Gyi.
