

Head Office of Philomena Production

Deianera sits at her desk totally annoyed....

2 weeks ago Philomena had jumped up from her desk, shouted "Vacation !" and disappeared. For 3 days now, Deianera has been trying to get her on the phone. Unsuccessfully...

PHILOMENA

PRINCESS OF THE AMAZONS

Sorry folks

but you have to be patient for a little while to find out where Ajax has vanished and if Philomena, Deianera and Nefertiti can defeat Imhotep and bring back the famous ANCH.

Philomena and her friends will be back with the final episode in September !

We wish you all a wonderful summer vacation.
Have fun !
