

What happened before

On the early morning of her 21st birthday, when Princess Philomena was to be appointed official heirress to the throne by her mother Hypolite, the Queen of Amazons, a gate to the Underworld opened in her chamber with a huge explosion. Debris hit Philomena and she fell bleeding and unconscious to the ground.....

PHILOMENA

PRINCESS OF THE AMAZONS

Philo lies bleeding and unconscious in front of the portal.... surrounded by smoke and fire...

suddenly a dark and terrifying creature appears in the portal and looks down at Philo.

Hades ..God of Darkness and Ruler of the Underworld kneels down at Philo's side.

He carefully picks Philo up and carries her through the portal back into the underworld...

PHILOMENA

PRINCESS OF THE AMAZONS

The Underworldsome call it hell, some call it kingdom of evil, but it is the realm of Hades, God of evil and darkness.

When Philomena finally regained consciousness, she found herself half-naked, bound in chains and fixed on an altar made of stone.

Helplessly she tried to turn her head and saw Hades at her side, he was staring at her with his red fire glowing eyes...

PHILOMENA

PRINCESS OF THE AMAZONS

Hades looks down at Philomena's naked body with lust and desire blaze from his glowing eyes. With his rough deep voice he explains to her why he had kidnapped her and what fate awaits her...

NO WAY! ..I will never help you ... you disgusting monster!

Princess of the Amazons ... I need your royal blood and your womb! You will be the mother of my son and rule the Underworld at my side. The ancient prophecy says that only a demigod with mine and the royal blood of the Amazons can conquer Olympus and defeat Zeus.

Philomena thought feverishly how she should escape this hell. Tied hands and feet, her body fixed on the stone altar, she was deprived of all mobility. She knew that Lemnos would miss her and Deianera, Weapon Master of the Amazons and her combat trainer, would soon start searching for her ... hopefully she wouldn't be too late...

PHILOMENA

PRINCESS OF THE AMAZONS

...meanwhile in Lemnos...

Deianera enters Philomena's room to meet her for the usual morning combat training. Horrified she looks at the hole with the hellish portal, the smoke and the fire she knew immediately what had happened !

The ancient prophecy...
Hades kidnapped Philo to
conquer the Olympus.....
Artemis help !!!

I will NOT accept that...
I will free Philomena and
bring her back !

Deianera reaches for
her weapons and sends
a prayer to Artemis.

She turns round and
runs through the
portal into the
Underworld.

Philomena meant so
much more to her
than just her Princess
or trainee.

She was her secret
love...

PHILOMENA

PRINCESS OF THE AMAZONS

Deianera walks through the portal into the underworld and hides behind a column to see what is happening. With horror she realizes that Hades is about to rape the helpless Philomena....

PHILOMENA

PRINCESS OF THE AMAZONS

full of anger and rage, Deianera runs up the stairs to the stone altar and rises her spear to stab it in the back of Hades...

...she would never allow that evil monster to cause Philomena such a suffering

With all her strength she stabs the lance deep into the back of the god of darkness and ends Philomena's torture.

PHILOMENA

PRINCESS OF THE AMAZONS

Hades falls from the altar and hits the ground. Deianera steps on his body and looks at Philomena sorrowfully and with pain in her eyes. She hopes so much that her Princess was not hurt too seriously....

Philomena rises up very slowly and kneels in front of Deianera like hypnotized. The fire in her eyes that Deianera loved so much seems to be extinguished.

she lifts Philomena very carefully up and whispers in her ear : I take you home my beloved princess !

PHILOMENA

PRINCESS OF THE AMAZONS

...a few hours later, back in Lemnos...

Philomena has regained strength and is very thankful for Deianera's help.

Both women kneel in front of the statue of Artemis to thank her for the successful rescue of Philomena from the evil God of Darkness.

But Deianera cannot concentrate on her prayer. She feels ashamed she can not forget what she felt when watching Philomena's naked body on the stone.

But she doesn't dare to say a word.....

Deianera remembered the first day of their combat training....she realized at once how much she was attracted by Philomena.

"I must tell Philomena that I love her....that I need her"

PHILOMENA

PRINCESS OF THE AMAZONS

You are
dead!
I killed you

Suddenly ...out of nowhere
Hades appears and grabs
Philomena!

Don't be such a
fool ...little girl !!!!!
I am a God .. I
am immortal !

To be continued...
