

PHILOMENA

PRINCESS OF THE AMAZONS

ADVENTURE IN EGYPT

The adventure starts 2500 years ago on the Greek island of Lemnos, home of the Amazons.....

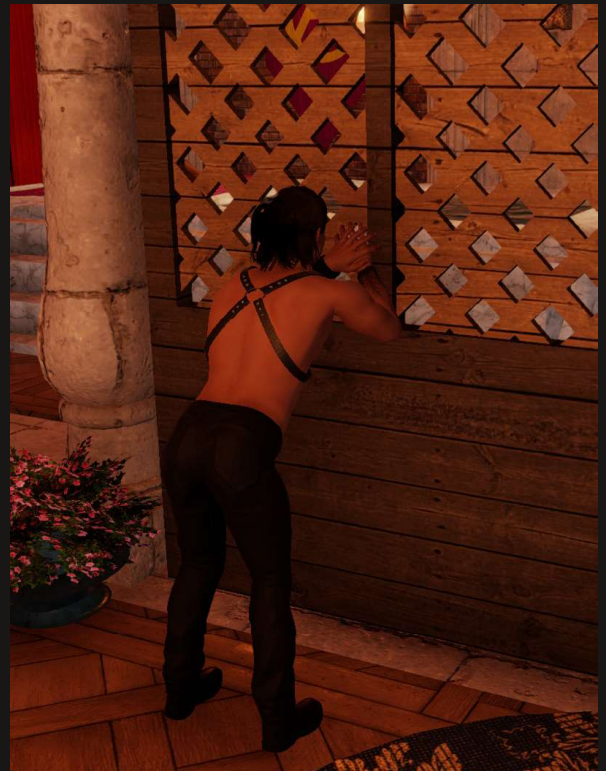

Philomena and Deianera, with the help of the goddess Artemis, defeated the evil Hades and banished him to the underworld. Back in Lemnos, they have confessed their love for each other and are now waiting for Artemis to order them to leave for Egypt. There they are to retrieve a sacred object that was stolen from Artemis by an Egyptian sorcerer named Imhotep.

PHILOMENA

PRINCESS OF THE AMAZONS

Ajax has been looking for his beloved Philomena for 3 days and is very worried about her. He runs back to the palace hoping to find her. But the throne room is empty.

Finally he finds Philo in her private chamber. But she is not alone...

PHILOMENA

PRINCESS OF THE AMAZONS

Surprised and stunned, he watches the two women...

Of course he is happy to have found Philomena but confused about what he sees. Didn't she give him her love and her body?

PHILOMENA

PRINCESS OF THE AMAZONS

Philomena and Deianera did not notice the visitor.

They are too busy with themselves and their passion for each other.

Only when they climb happily and relaxed into the water basin, they discover Ajax.

PHILOMENA

PRINCESS OF THE AMAZONS

Ajax approaches the pool and looks at the two women... questioning and confused.

When Philomena notices him, she immediately gets up and approaches Ajax.

"Philomena! Where have you been? I thought I had won your love. But now..."

After that Ajax falls silent and looks to the floor.

PHILOMENA

PRINCESS OF THE AMAZONS

"I was involved in a fight with Hades and was able to defeat him with the help of Artemis and Deia. And yes ...you are in my heart with love !"

Ajax does not understand and is totally confused. Silently, he turns around and runs away.

PHILOMENA

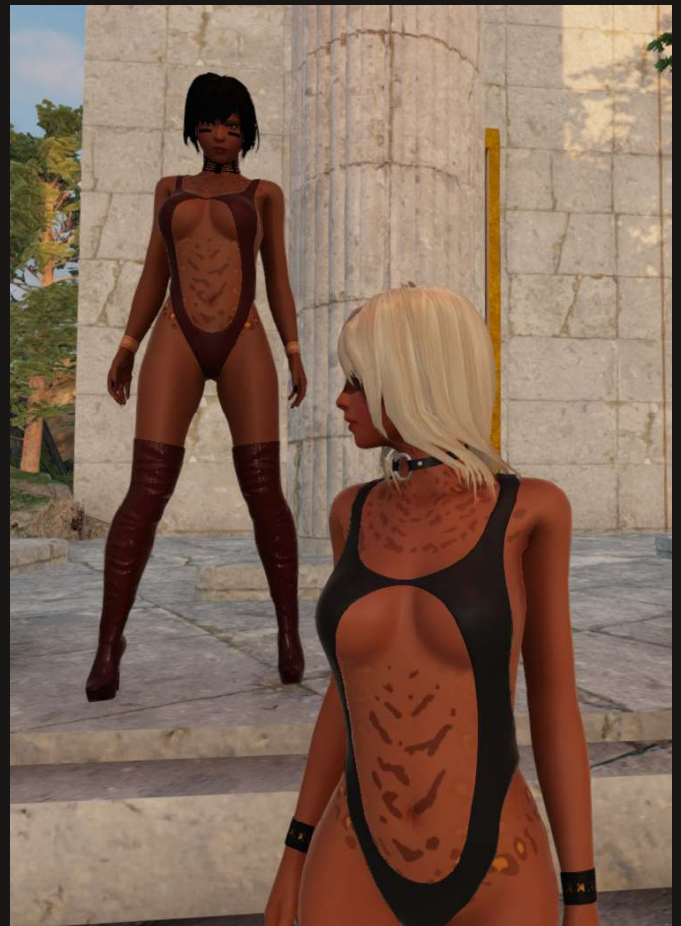

PRINCESS OF THE AMAZONS

Philomena turns to Deianera " I love him too... what am I going to do ?"

Thoughtfully they go outside. But before Deianera can answer, they both hear the gentle voice of Artemis coming out of her temple:

"Daughters, come to me !"

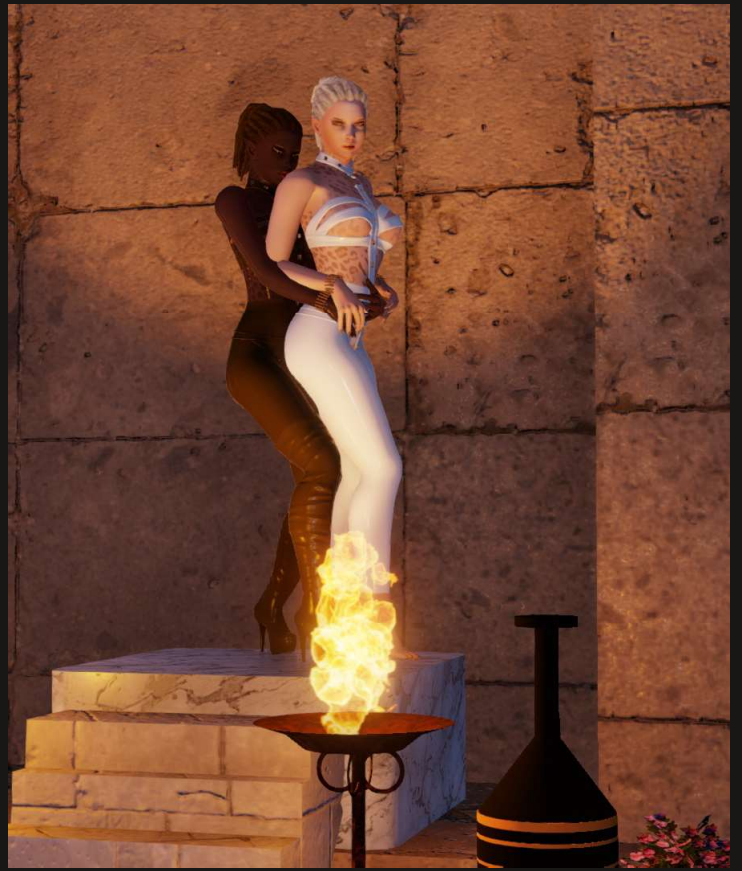

PHILOMENA

PRINCESS OF THE AMAZONS

Philomena and Deianera enter the temple and stand in front of the bronze statue when the white glowing figure of the goddess detaches from the statue.

Artemis approaches them and in a cloud of white mist coming out of her hand, the image of a shiny golden object appears.

"This is the object you need to bring back. It is called ANCH and it has great power. It was a gift to me from the Egyptian goddess Isis and was stolen by Imhotep.

Travel to Alexandria and find Nefertiti. She is the daughter of the Pharaoh and will help you.

Leave immediately !!"

PHILOMENA

PRINCESS OF THE AMAZONS

Philo and Deia put on their armors, grab their weapons and immediately head for the harbor. They know that the "Seahorse" will leave for Alexandria tonight.

They do not notice Ajax who is watching them from a bar in a sidestreet...

After seeing Philo and Deia before, Ajax had no idea what to do and just walked to the harbor.

He loves Philomena and she said she loves him too. But what about Deianera and what should he do...?

PHILOMENA

PRINCESS OF THE AMAZONS

But now he sees Philomena and Deianera, both in armor and with weapons, boarding a ship. They were going into a battle !

He thinks for a moment and secretly follows them onto the ship. He would not let his beloved Philomena go into battle alone !

Philomena and Deianera stand at the railing, looking into each other's eyes, thinking about the challenge ahead of them.

The dangerous journey to distant Alexandria and a fight against a mighty sorcerer.

Will they make it ?

We will accomplish this ! With the help of Artemis !
