PHILOMENA

PRINCESS OF THE AMAZONS

After a journey of ten days, Philomena and Deianera reach Egypt and disembark in the port of Alexandria.

They look at the magnificent buildings in awe.

The Lighthouse of Alexandria and the Pharaoh's Pyramid Palace were already very visible from the sea.

Thoughtfully they look at the palace of the Pharaoh directly at the harbor. They will find Nefertiti there, the captain of the ship had explained to them. However, the palace is heavily guarded and foreigners are never allowed to enter.

"The guards won't let us in, Deianera. They probably won't even listen to us."

"Don't worry Princess, they can't stop us."

Ajax cautiously leaves his hideout when he hears Philomena and Deianera talking and slowly leaving the ship without weapons. He wonders why the two women want to go to the palace and why they left their weapons behind.

When the two of them were out of sight, he left the ship just as secretly and unseen as he had entered it. Carefully he moves towards the palace to be close to Philomena in case she would need help.

PHILOMENA

PRINCESS OF THE AMAZONS

Princess Nefertiti sits bored on the throne of the Pharaoh, as she often does. As the only child of the Pharaoh, she was actually the successor to the throne. But this was not possible for her...

Women were not allowed to ascend the throne of Egypt. Such was the law !

She has to choose a consort and make him king in order to share the power at his side.

That didn't please Nefertiti at all. In fact, she didn't like men anyway. She felt more comfortable in the company of women.

With these thoughts, her eyes fell on her two slave girls lolling at her feet.

Nefertiti called one of the guards to protect her chamber and to prevent her from any disturbance. Aura and Baha immediately followed her. It was time for her massage....

With growing lust, she looked at the two girls: Aura, the Nubian slave, and Baha, the Babylonian temple whore.

Her father had brought them from his last military campaign as a gift for her.

Very quickly, the massage develops into hot sex with her two slaves.

Curious and worried, Nefertiti rises and leaves Aura and Baha moaning and shivering with desire. She calls the guard and has her two slave girls dress her.

She must know what is going on outside...

The tender kissing and caressing quickly develops into wild and untamed lust. The three women completely surrender to their lust and forget everything around them.

But suddenly they are torn from their exstasy by loud screams and fighting noise in front of the palace.

The guards refused Philomena and Deianera entry to the palace, which quickly turned out to be a fatal mistake for them. The Amazons put down their weapons because they don't want to hurt anyone seriously and end the discussion very quickly. After a short time, both guards lie unconscious on the floor.

"Who are you? You wear the clothes and weapons of the Amazons and they are held in great esteem by my people. You are welcome, but why did you strike down the guards ? "

"I am Philomena, daughter of Hypolite, Queen of the Amazons. At my side is Deianera, Weapon Master of the Amazons."

"The guards refused to let us meet you, but we didn't seriously hurt them. We need your help, Nefertiti !!"

"The daughters of Artemis are always welcome and I will be happy to help you. How can I help you ?"

Philomena explains to Nefertiti that they were sent to Egypt by the goddess Artemis to retrieve the ANCH that Imhotep had stolen. Nefertiti nods silently and takes the two Amazons inside the temple.

"I will help you! The power of the ANCH must never be abused by Imhotep. I will tell you WHO Imhotep is and where we can find him....."
