To Whom It May Concern:

My name is Eddie Suliman, and I am the Founder and Owner of Eddie Suliman Events an event planning business which I have run for the past 11 years.

I have had the pleasure of working with Shannon Pecore for several years now and what started as a working relationship from when she participated in a small school marketplace event with the business she represented at the time, grew into our businesses working together at multiple and much larger events.

More recently Shannon and I worked on a charity fundraiser for Peel Children's Aid as she is known for being a huge community supporter wherever and whenever she can.

Shannon is a smart, talented individual who sees an opportunity to make things better when no one else can. She always finds a way to connect her business with other businesses for a positive outcome. Shannon is an avid local business support and brings a huge awareness to the companies she represents.

Shannon has a friendly, professional and approachable personality and will be a great asset to any business she works with.

Sincerely,

Eddie Suliman
