The Dalles Civic will be hosting a Community Christmas program this year. This program will be designed to showcase some amazing community groups including, local school choirs and bands, adult singing groups and even aspiring thespians. We are looking forward to putting together an amazing program for people of all ages to enjoy the sounds of the season. The date of this amazing event is still being determined but we are already so excited about the promise of it that we had to share our plans. Stay tuned for additional information!

Looking to host a party or work meeting? We offer many different room sizes to fit your needs. Fill out our online request form to schedule yours!

We are pleased to announce that we have accepted a bid and will be moving forward with the

installation of our new sound and lighting equipment in the theater. Hollywood Lights Inc. has been around for more than 60 years. As the largest independent, locally owned lighting provider in the Pacific Northwest, we know that we can trust them to install quality equipment. With this new equipment, we will be able to host many different acts all year long. This improvement has been in the works for quite some time and we couldn't be more excited for what the future holds for the theater!

Love the Civic and want to make sure it continues as a community venue? Looking for a way to serve the community? Being a member of the Board of Directors is a perfect way to participate.

Want more information? Visit our website www.tdcivicauditorium.com, email us at tdcivicauditorium@gmail.com, give us a call at 541-298-8533 or talk to one of our current board members.

our website.**

We are excited to announce that The Civic has just undergone a complete network upgrade, thanks to a generous grant from Northern Wasco County PUD. Joshua Pool with Mikrologic & Actual Broadband has spent the last few weeks installing the new routing, firewall, and switching equipment, along with the latest WiFi access points. The entire building now supports multi-gigabit connectivity, ensuring fast and low-latency internet access throughout, making The Civic one of the most connected event spaces in the area. This upgrade will enable The Civic to host a wider range of events that require high-quality, high-speed internet. Whether you're attending a conference, concert, or any other event, you can expect seamless and reliable connectivity. We're excited to see the incredible events The Civic will host in the future!

HOLIDAY PARTY!

The holiday season is fast approaching. Our December calendar is filling up even faster. Saturdays in December are unavailable but there are a lot of other days to throw a great party! Call or email Tiffany to get your business's Holiday party on the schedule.

For tax deductible contributions help The Dalles Civic maintain and continue to rebuild this beautiful building. We appreciate all of the support. If you would like to donate visit thedallescivic.com/donate
