Lise will speak with Bob to gather more information. Susie will speak to the people responsible at Northern to see if daytime play is available.

6. Evening Play at Tennis Courts

Susie will add an evening play schedule for the Tennis Courts from 6:00 to 9:00pm. Lise will send a message to all members stating that Tennis Court Play is open to all community members. Players may choose to play together only and this is allowed since it is not a Club space.
